## FEATURES SEPTEMBER-OCTOBER 2012

### HOTEL L'ALBERETA September 23-25

Our journey begins at the charming Hotel L'Albereta, nestled in the rolling countryside of Franciacorta, between the Italian Alps and Lake Iseo. This Relais & Chateaux property, with its airy Provençal décor featuring period frescoes, appears on many lists of top hotels in Italy. We dine privately at the onsite restaurant of Gualtiero Marchesi, one of Italy's premier chefs, and play some of Italy's finest golf courses nearby, including the Jack Nicklaus II designed Arzaga Golf Club.

### VENICE September 26

We board the majestic *Sea Cloud II* in one of the world's most romantic cities, where great voyages have started for centuries. After sailing through the Adriatic, we make a grand return to the Venice lagoon and its famed duomos and basilicas. Venice, "The Queen of the Adriatic," provides fitting bookends to our journey.

### DALMATION COAST September 27-29

Home to idyllic sheltered bays and some of the most dramatic landscapes in Europe, the Dalmation Coast delights passengers with its crystal clear blue seas and sparkling, undisturbed shores. Visits to Dubrovnik and to the spectacular fjords of Kotor, Montenegro highlight our voyage.

### SEA CLOUD II

*Sea Cloud II* is a ship that captures the timeless elegance of sailing history and combines it with modern service and accommodations. Privately chartered for this voyage, the ship provides a relaxing and gracious home away from home. With her spacious staterooms, elegant dining, fitness center and ample open deck areas, *Sea Cloud II* offers cruising at its finest. Once on board, we journey effortlessly, leaving the uncertainties of land travel behind.

## ITINERARY • 12 DAYS

*Hotel L'Albereta*

### SEPTEMBER 22/23: HOME • MILAN, ITALY

Depart your home city on September 22 for an overnight flight to Milan, Italy. Upon arrival, you'll be greeted at the airport and transported to the Hotel L'Albereta, which evokes images of centuries-old Italian nobility and idyllic pastoral hideaways. This evening we gather for our welcome reception.

*Arzaga Golf Club*

### SEPTEMBER 24: FRANCIACORTA, ITALY

*GOLF: ARZAGA GOLF CLUB*

Situated between the Alps and Lake Garda on the grounds of a 15<sup>th</sup> century palazzo, Arzaga Golf Club enjoys a setting both scenic and historic. This Jack Nicklaus II design has well-crafted golf holes with generous fairways and greens. A series of lakes, bunkers, and large areas of native vegetation present players with a formidable but fair challenge.

*TOUR: SIRMIONE*

Those on tour visit the town of Sirmione, situated on a narrow peninsula that juts out into Lake Garda. We visit the town's historic sites including Rocca Scaligera, a picturesque 13<sup>th</sup> century castle and the ruins of Grotte di Catullo, a Roman villa built in the 1<sup>st</sup> century BC. Later in the day, our local guide will lead us to the town's best shops and to a charming restaurant for lunch.

*DINNER AT RESTAURANT GUALTIERO MARCHESI, HOTEL L'ALBERETA*

We feast this evening on the cuisine of Gualtiero Marchesi, Italy's most renowned chef. Considered to be the founder of modern Italian cuisine, Marchesi earned three Michelin stars in 1985, the first Italian chef to achieve this distinction.

### SEPTEMBER 25: FRANCIACORTA, ITALY

*GOLF: GOLF CLUB BERGAMO L'ALBENZA*

This classic design by the British team of Cotton & Sutton was inaugurated in 1961. As one would expect from a layout that derives its name from a hilltop city, the course has numerous changes in elevation. These tree-lined holes are quite varied and small greens demand pinpoint iron play. This private club is extremely proud that Costantino Rocca began his golf career as a caddie here.

*TOUR: BERGAMO*

Our tour takes us to the hilltop city of Bergamo, one of Italy's most intriguing spots. Governed by the Venetians for more than three centuries, the walled ancient city is filled with rich artistic treasures. Enjoy outstanding views from the Città Alta, "the High City," as we explore medieval towers, restaurants and shops from another age.

*Kalos Golfers*

### SEPTEMBER 26: FRANCIACORTA • VENICE, ITALY

*GOLF: FRANCIACORTA GOLF CLUB*

Today's golf experience has a true local flavor as we venture to nearby Franciacorta Golf Club. The course is surrounded by beautiful countryside, dotted with venerable 19<sup>th</sup> century villas and stone farmhouses and featuring endless views of the vineyards that produce Italy's prime sparkling wine. Players will relish the scoring opportunities that this sporty layout offers.

*Venice*

*TOUR: VENICE*

Our tour visits the Basilica di San Marco and Palazzo Ducale (Doge's Palace), which reveal Venice's power and glory in a previous era. Lunch options abound at one of the local trattorias or charming canalside cafés. A multitude of upscale shops lining Venice's narrow alleyways also await us. Water taxis take us through the winding canals to board *Sea Cloud II* later this afternoon.

### SEPTEMBER 27: AT SEA

What better way to settle in aboard *Sea Cloud II* than to delight in a full day at sea on the sparkling waters of the Adriatic Sea? Sit back and watch skilled deckhands scale the rigging and set the sails on what is the finest hand-sailed square rigger of our age.

*Dubrovnik*

### SEPTEMBER 28: DUBROVNIK, CROATIA

*TOUR: DUBROVNIK*

Termed the "Jewel of the Adriatic" by Lord Byron, Dubrovnik is an ancient city filled with stone palaces, Venetian-style buildings and majestic bell towers. Our morning tour takes us to the Franciscan Monastery, whose cloister ranks among the most inspiring sites of the city. We also visit the cathedral, whose treasury contains one of the finest collections of gold and silver relics in Europe. The afternoon is at your leisure to wander among the local restaurants and distinctive shops that line the city's narrow streets.

### SEPTEMBER 29: KOTOR, MONTENEGRO

*TOUR: KOTOR*

*Sea Cloud II* sails into the dramatic Bay of Kotor, a spectacular fjord surrounded by steep majestic mountains. All passengers have the opportunity to tour Kotor, one of the Adriatic's best-preserved medieval towns. Ancient stone fortifications stretch through the hills above Kotor, whose entrance is marked by three gates. With a panoramic backdrop of the magnificent bay and mountains, our day in Kotor is always a highlight of our Adriatic Cruise.

*Bay of Kotor*

### SEPTEMBER 30: OTRANTO, ITALY

*GOLF: ACAYA GOLF CLUB*

Michael Hurzan and Dana Frye put a completely new face on the old Acaya Golf Club, designing quality golf holes set amongst the olive trees and masserias of the Puglia region. The architects moved and shaped earth primarily around the greens, creating approach shots that are aesthetically pleasing and challenging. Every year, golf critics from around the globe bestow praise on this beautiful layout.

*Acaya Golf Club*

*TOUR: LECCE*

Our day is dedicated to exploring the Puglia region, with visits to the towns of Otranto and Lecce. Lecce—which boasts a rich architectural and artistic heritage—is filled with monuments and buildings that are architectural examples of a baroque style called "Leccese." Enjoy this fascinating trip to "old Italy" which is not included on most ordinary tours of the Adriatic.

**OCTOBER 1: MONOPOLI, ITALY**

**GOLF: SAN DOMENICO GOLF**

Against the backdrop of the blue sky and blue-green Adriatic Sea, San Domenico Golf lies a few hundred yards from the coast. The landscape is dotted with olive trees, colorful poppies and the traditional stonewalls typical of the Puglia region. The terrain of this former farmland is flat and benign but it belies the challenges posed by the ever-present winds and large natural waste areas.

**TOUR: ALBEROBELLO**

Alberobello, a charming hilltop village, is home to the famous “trulli.” Because these 12<sup>th</sup> century conical-shaped stone dwellings are rare, in 1996, UNESCO declared Alberobello a World Heritage site. Lunch today is at a local masseria where we sample Italy’s finest olive oils, produced here for centuries.

**OCTOBER 2: AT SEA**

Our itinerary allows us to meet the most common request from Kalos passengers—one more day at sea. Relax today as we enjoy the art of slow travel and relish the journey back to Venice.

**OCTOBER 3: VENICE, ITALY • HOME**

We bid farewell to *Sea Cloud II* and her crew as we disembark and transfer to the Venice airport for return flights home.
