ITINERARY • 16 DAYS

JUNE 11/12: HOME • STOCKHOLM, SWEDEN

Depart your home city on June 11 for an overnight flight to Stockholm. On arrival, you are greeted and transferred to the five-star Grand Hotel Stockholm. The afternoon is at your leisure before our welcome reception this evening.

Stockholm

JUNE 13: STOCKHOLM, SWEDEN

GOLF: ULLNA GOLF CLUB

Ullna, a scenic lakeside course that has hosted five European events, is best defined as the heart of Swedish golf. The course, originally designed by Swedish hockey legend Sven Tumba, has recently completed a Nicklaus redesign to enhance its play. As a youngster, Jesper Parnevik developed his golf skills here while the pride of Swedish golf—Annika Sörenstam—holds the course record of 64.

TOUR: STOCKHOLM AND OLD TOWN

Touring passengers are treated to the many highlights of Stockholm, including the royal island of Djurgården and the medieval Gamla Stan (Old Town) with its cathedral (Storkyrkan) and Royal Palace. Not to be missed is the Stadhuset (City Hall), the venue for the annual Nobel Peace Prize banquet and home of the Golden Hall, decorated completely in gilded mosaic tiles.

Bro Hof Slott Golf Club

JUNE 14: STOCKHOLM, SWEDEN

GOLF: BRO HOF SLOTT GOLF CLUB

Robert Trent Jones Jr. designed this stadium course to offer challenging golf enhanced by impressive views of Lake Mälaren, which nearly surrounds the course. The serenity of the course is unusual given the thousands of birds that make this impressive lake home. Already touted as the country's best golf course, it is hosting the Scandinavian Masters from 2010 through 2017 and is a contender to host the Ryder Cup in 2018.

TOUR: VASA MUSEUM

Our tour visits Stockholm's extraordinary maritime Vasa Museum. The Vasa was the world's largest warship (226 feet) when it was built in the 1620s. After sinking on her maiden voyage in Stockholm harbor, the Vasa was recovered in 1961 and fully restored to her original beauty. Later this afternoon, we board *Seabourn Pride*.

JUNE 15: MARIEHAMN, FINLAND

TOUR: ÅLAND ISLANDS

After exploring the picturesque town of Mariehamn, we continue on a scenic drive to the islands of Järsö where we learn at the Jan Karlsgården museum about 19th century farm life. The day ends with spectacular views of the Åland landscape from the fortress ruins of Bomarsund.

JUNE 16: HELSINKI, FINLAND

GOLF: HIRSALA GOLF CLUB

Like its Nordic neighbor Sweden, Finland has seen an explosive interest in golf, with over 125 courses available for play in this small nation. Hirsala is a typical Finnish forest course, with the natural features of the land kept intact as the greens meander through the many hills. Beautiful granite outcroppings add to the need for accuracy on this course.

Helsinki

TOUR: HELSINKI

Touring passengers will discover the wealth of Art Nouveau and ultramodern architecture that has made Helsinki a gem of the Northern Baltic. We visit the unique Temppeliaukio Rock Church, blasted into solid rock, which is one of the landmarks of the city.

JUNE 17: ST. PETERSBURG, RUSSIA

TOUR: THE CHURCH ON SPILLED BLOOD AND PETERHOF PALACE

We depart on a panoramic tour of St. Petersburg and visit the magnificent Church of Our Savior on Spilled Blood. After lunch, we continue to the opulent summer palace and gardens at Peterhof, one of St. Petersburg's most spectacular imperial estates, built by Peter the Great. After touring the Palace, we walk through Low Park with its alley of 22 fountains and then board a hydrofoil for the return trip to the city, up the Neva River.

Peterhof Palace

JUNE 18: ST. PETERSBURG, RUSSIA

TOUR: CANAL RIDE AND CATHERINE PALACE

Gain a new perspective as we journey through the canals of St. Petersburg, which is known as the "Venice of the North." Later, we have a special late opening at the impressive baroque Catherine Palace. The lavish blue exterior trimmed with gold and white lace commands attention as you enter the equally adorned luxurious interior.

JUNE 19: ST. PETERSBURG, RUSSIA

TOUR: THE HERMITAGE MUSEUM

We have a special early opening to tour the world-renowned Hermitage Museum, housed in the splendid Winter Palace. The Hermitage houses over three million pieces—collected over two and a half centuries—and is one of the world's largest and most valuable collections of fine art and artifacts.

The Hermitage Museum

JUNE 20: DAY AT SEA

Relaxing on the sun-soaked decks or getting a massage at the spa, enjoy the comforts of *Seabourn Pride* as we cruise toward Latvia.

JUNE 21: RIGA, LATVIA

GOLF: OZO GOLF CLUB

To fulfill his dream of bringing golf to his native country, NHL player and Stanley Cup champion Sandis Ozolinsh founded the Ozo Golf Club. Latvia's first 18-hole course is ideally located on the shores of Lake Kisezers. The contours of the landscape have been used in an optimal manner to present a challenging course in a scenic setting.

TOUR: RIGA

Riga, the capital of Latvia, is the largest city in the Baltic States. Take a walking tour through Old Riga, which dates back to the 13th century and view: the "Three Brothers," an excellent example of medieval architecture; Riga Castle, the site of the President's palace; and the striking Gothic historic House of Blackheads.

National Golf Course

JUNE 22: KLAIPĖDA, LITHUANIA

GOLF: NATIONAL GOLF COURSE

Located in a setting that is typical of the Baltic coastal lowlands, the National Golf Course reflects flat natural areas as well as the hilly, wooded landscape. Water is prevalent on the course, with lakes and the Dané River flowing through it. The key to success at National—aim for green and stay away from blue—is easier said than done.

TOUR: VILLAGE LIFE OF LITHUANIA

In the cultural center of Vezaiciai and the neighboring village of Lapiiai, we learn about the Soviet period, when thousands of Lithuanians were deported to Siberia, and the resistance movement in Lithuania. We visit the home of the first British Defense Attaché, learning about his time in Cold War Moscow and Lithuania.

JUNE 23: GDANSK, POLAND

GOLF: SIERRA GOLF CLUB

Forbidden in Poland during the communist era, the game of golf has flourished over the past two decades, with the Sierra Golf Club boasting one of the country's finest courses. The parkland layout of this meticulously maintained private club features stylish design and landscaping.

Sierra Golf Club

TOUR: GDANSK

We spend the day in Gdansk, the birthplace of the Solidarity movement, founded by Lech Walesa. Solidarity is widely credited with helping to end communist rule throughout Central Europe. Our tour explores the Old Town, Long Market and Royal Road, once the path of processions for visiting kings.

JUNE 24: RØNNE, DENMARK

TOUR: BORNHOLM

Today's tour takes us through the picturesque farmlands of the tiny Baltic island of Bornholm. We travel through Almindingen, one of the largest forested areas in Denmark, to discover the charming little fishing village of Gudhjem. We visit the impressive 13th century ruins of Hammershus Castle and see the artisans at work at one of the largest glass blowing studios on the island.

WINSTONlinks

JUNE 25: WARNEMÜNDE, GERMANY

GOLF: WINSTONLINKS

Recently named Germany's best new golf course, WINSTONlinks is designed to emulate the dunes landscapes of the Scottish coast. The 30-foot high dunes tower over the moraine landscape that is interspersed with broom, heather and natural sand pits. This impressive links course creates a dramatic contrast to its setting in the German countryside.

TOUR: ROSTOCK

Our walking tour of Rostock begins at the oldest university in the Baltic and continues through the consecrated gardens of the Holy Cross Convent. We then view the awe-inspiring St. Mary's Church, the Seagull Fountain and the pink Town Hall with its seven spires.
