## *Golf's Finest Travel Experience*

Combining the best of international golf with the convenience of private jet travel, our *Golf Around the World by Private Jet* journey promises a travel experience unlike any other.

In 1994, Kalos Golf introduced the golf cruise, a new concept in travel. Chartering the *Sea Cloud* family of ships, Kalos began transporting golfers comfortably and stylishly to the top courses in Europe. Our first clients appreciated the exceptional service and luxurious accommodations offered by Kalos—and the golf cruise concept took off.

Over the last 20 years, Kalos Golf has created special golfing memories for the more than 8,000 guests who have traveled with us. New for 2014, we're proud to announce our inaugural private jet golf trip, provided by private jet expedition operator TCS & Starquest Expeditions.

On this unique around-the-world golfing journey, you'll experience new cultures and incredible scenery, while playing some of the world's best courses. Challenging layouts from top architects ensure that this will be a golfing experience you'll never forget.

## Learn While You Explore

Enrich your journey. Expert lecturers travel with us throughout the entire expedition to illuminate the varied cultures we encounter. These experts will deliver thought-provoking lectures onboard using our special in-flight multimedia system, and will be available to continue the discussion over dinner or as you explore each destination.

We also arrange for exclusive meetings with esteemed local experts whenever possible, giving you a rare insider's view into local life. During sightseeing excursions, you can listen to the insights of our expert and local guides through a simple, comfortable and state-of-the-art audio system that gives you the freedom to roam on your own.

## Featured Lecturer

David Keeling is a lecturer for the American Geographical Society and head of Western Kentucky University's Department of Geography and Geology. His research interests include the geography of exploration and discovery, resource use, regional cultures and development in emerging economies. A self-proclaimed "generalist," Keeling provides physical and cultural context for each destination, focusing on what makes it unique, and explores these issues in-depth both in his presentations and in conversations throughout the journey. Born in England, he has lived in Australia for 12 years.

## *Make a Difference*

By joining us on this expedition, you automatically support efforts to make the world a better place. In each destination, Kalos Golf and TCS & Starquest Expeditions will provide supplies for medical centers or schools, donate funds for essential community programs and support economic growth and sustainability by purchasing traditional handicrafts made by local artisans.

# Q&A With Kalos Golf President Jim Lamont

## What was the inspiration behind this *Golf Around the World by Private Jet* tour?

What we've been doing for years is finding out-of-the-way, exotic golf courses that people enjoy playing, coupled with great touring and cultural experiences. When we found the right combination of countries and courses—desert golf, island golf, jungle golf and links—we knew we wanted to do it by private jet.

## What excites you most about this tour?

You expect Valderrama, New South Wales and Fancourt to be great courses, and they'll absolutely meet your expectations. But some of the lesser-known courses, like Nirwana, Chiangmai Highlands and Le Touessrok will really be surprises. A lot of golfers have had Dubai on their radar and this is the perfect way to do it. Fly in, play two world-class courses, see some sights and fly out again. The beauty of Mauritius will just leave you shell-shocked. And in Chiang Mai, the golf is extraordinary. It doesn't make the top lists just because it doesn't get the frequency of visitors, but these are stunning courses in jungle settings.

## What makes this around-the-world golfing journey so special?

We put this trip together considering the makeup of the golf courses, their strategic design, their setting—all the things that combine to make a great golf course. It's a really fun lineup of golf, with new scenery and new challenges every day—all with no hassles. We eliminate the downside of golfing and traveling: lugging your clubs and figuring out the logistics. Don't worry about anything. We've set up the trip so that you can enjoy all the extraordinary places you'll be playing.

## Maui—Oct. 9

Depart your hometown independently on a commercial flight to Maui, the Magic Isle of Hawaii. Meet your fellow travelers, lecturers, golf director and expedition leaders this evening at a festive welcome dinner at your oceanfront resort. If you'd like to arrive a day before the tour begins to play Kapalua's legendary Plantation Course (see pre-tour option below), just ask. We'll be happy to book pre-tour nights and tee times for you.

*Ritz-Carlton, Kapalua*

### **Pre-Tour Option: The Plantation Course at Kapalua**

The Plantation Course at Kapalua—annual home of the PGA Tour season-opening Tournament of Champions—opened for play in 1991. Designed by Bill Coore and Ben Crenshaw, Kapalua is a seaside, open-country course with stirring elevation changes and brilliant views of the Pacific. The ever-present trade winds will keep you on your toes as you find your way to mammoth greens with plenty of break. Above all, Kapalua is delightfully challenging, and you will remember every drive, approach, chip and putt. It's a fantastic optional practice round for your journey to come.

## Cross the International Date Line—Oct. 10

From Maui, begin your voyage across the Pacific, crossing the international date line. Jump forward a day en route and arrive in Fiji the following afternoon.

The Plantation Course at Kapalua, Maui

Sofitel Fiji Resort and Spa, Fiji

## Nadi, Fiji—Oct. 11-12

Welcome to paradise. Fiji's 333 islands in the heart of the South Pacific enchant with their white-sand beaches, azure waters and palm trees swaying in a balmy tropical breeze. From your beachfront resort, indulge in the pleasures of the tropics. Venture out for a tour of a local village for an authentic Fijian experience. Board jet boats and cruise up the magnificent Sigatoka River—the longest river on the island—and visit the Kalevu Cultural Center, which offers artisan demonstrations of Fijian handicrafts. Or take a catamaran cruise to nearby islands for a snorkeling and swimming adventure in the clear blue waters.

*Sofitel Fiji Resort and Spa*

### **The Course:**

#### ***Natadola Bay Championship Course\****

Opened in 2009, the Natadola Bay Championship Course presents a memorable challenge for our first round of golf. It's an intriguing mix of seaside and mountain golf with about half the holes running along the sea, and half playing through undulating twists and mounds. While the elevated tee boxes present fantastic views of the rolling hills and crystal-blue water, golfers will also need to be wary of how the wind changes at the higher elevations to score well.

## Sydney, Australia—Oct. 13-14

Don't be surprised if a hearty "G'day" rings out as you touch down in Sydney. Australians are some of the most welcoming people on earth, and your time here will be full of adventure, good cheer, tasty food and, of course, world-class golf. When you're not on the course, take some time to explore Sydney on a guided walk of the Rocks district or a behind-the-scenes tour of the Sydney Opera House. You may choose to explore the enchanting Blue Mountains National Park, filled with fragrant eucalyptus trees, scenic gorges and thundering waterfalls. Or enjoy a relaxing barbecue lunch on a Sydney Harbour cruise.

*Shangri-La Hotel*

### **The Course:**

#### ***New South Wales Golf Club***

On the shores of dazzling Botany Bay stands the resplendent New South Wales Golf Club, designed by Alistair MacKenzie of Augusta National fame and recently tuned by Australia's own Greg Norman. You'll be hard-pressed to focus on your game with the stellar sea views from almost every hole. As with most great courses, New South Wales takes what the terrain offers, enhances it and makes you feel as if the course has simply always existed.

Nirwana Bali Golf Club, Bali

## Bali, Indonesia—Oct. 15-16

Known as the Land of the Gods, Bali entrances even the most veteran explorers. Immerse yourself in one of the most diverse ecosystems in the world. Discover the essence of Bali in bamboo forests, rice paddies and the green hills of the central highlands. Take in the beauty of Bali's historic temples and the refreshingly spiritual perspective of the people. Explore the village and surrounding areas of Ubud, the island's cultural and artistic capital. Share tales of your travels as you dine in style with a view of one of Bali's most significant sea temples.

*Pan Pacific Nirwana Bali Resort*

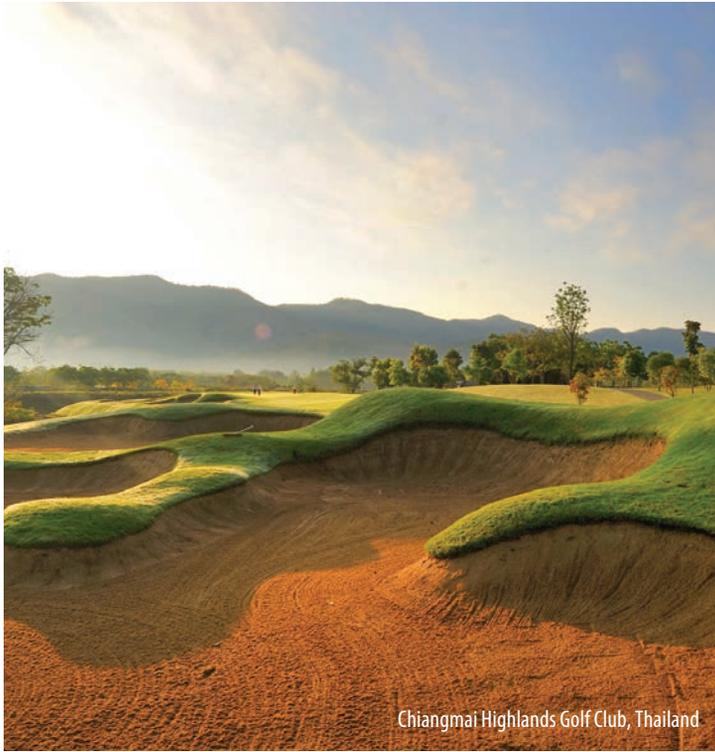

### **The Course:**

#### ***Nirwana Bali Golf Club***

Designed by Greg Norman, this magnificent course plays along the southwest coastline of Bali. It is a striking work of seaside golf with a mix of lush jungle canopy and dramatic ocean views, including the vista of the mysterious, seemingly shipwrecked Tanah Lot Temple. Several holes will simply take your breath away, like the signature seventh hole, a par three that plays over the beach to a well-protected green. Nirwana delivers truly marvelous golf, taking you on a roller-coaster ride through rice-terraced valleys, across streams, through jungle, over a beach and along stunning ocean cliffs.

Pan Pacific Nirwana Bali Resort

Chiangmai Highlands Golf Club, Thailand

## Chiang Mai, Thailand—Oct. 17-19

Founded nearly 700 years ago as the new capital of the thriving Lanna Empire, Chiang Mai offers visitors a heady mix of vibrant history, splendid natural landscapes, incredible food and the country's best shopping. When you're not on the course, cruise through the city by tuk-tuk to see the old city walls, moat and iconic temples. Browse the wares in the lively night market. Our tour has some fun with the local elephants and learns the secrets of a perfect pad thai in an interactive cooking class.

*Mandarin Oriental Dhara Dhevi*

### The Courses:

#### *Chiangmai Highlands Golf Club\**

With over 100 fairway and greenside bunkers, Chiangmai Highlands is both exciting and challenging. From the inviting downhill first hole, the golf course seems to flow naturally with the undulating terrain. The beauty and challenge of this course grows with each passing hole until its thrilling, dramatic finish on the unforgettable 18th.

#### *Alpine Golf Resort, Chiang Mai*

Set in a valley surrounded by a majestic mountain range just east of Chiang Mai, Alpine Golf Resort is a beautifully conditioned course where water plays a strategic role on many holes, including the island green No. 15. The fairways are large and receptive, and open to gorgeous views of the surrounding foothills. But, don't get distracted, the course is lined with many trees and large, cleverly placed bunkers that demand your attention to score well here.

## Dubai, United Arab Emirates—Oct. 20-22

Dubai's glittering skyscrapers tower over the stark desert and gleaming waters that surround this coastal metropolis. When you're not playing golf, wander through Old Dubai, carve some turns on the indoor ski slope and cruise Dubai Creek on a traditional *dhow*. Then feast like an emir during an outdoor dinner and falconry show under the desert stars.

*Jumeirah Zabeel Saray Hotel*

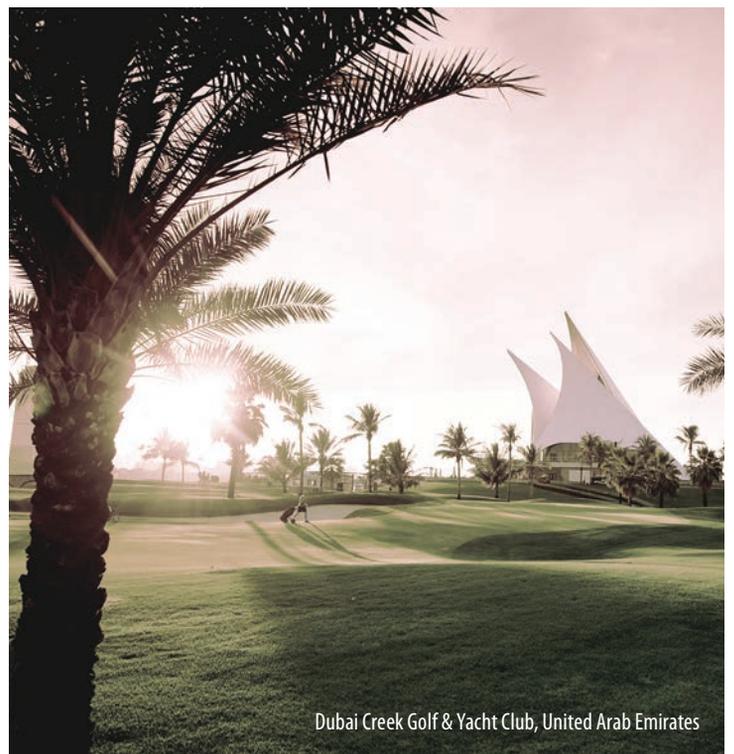

### The Courses:

#### *Majlis Course at Emirates Golf Club\**

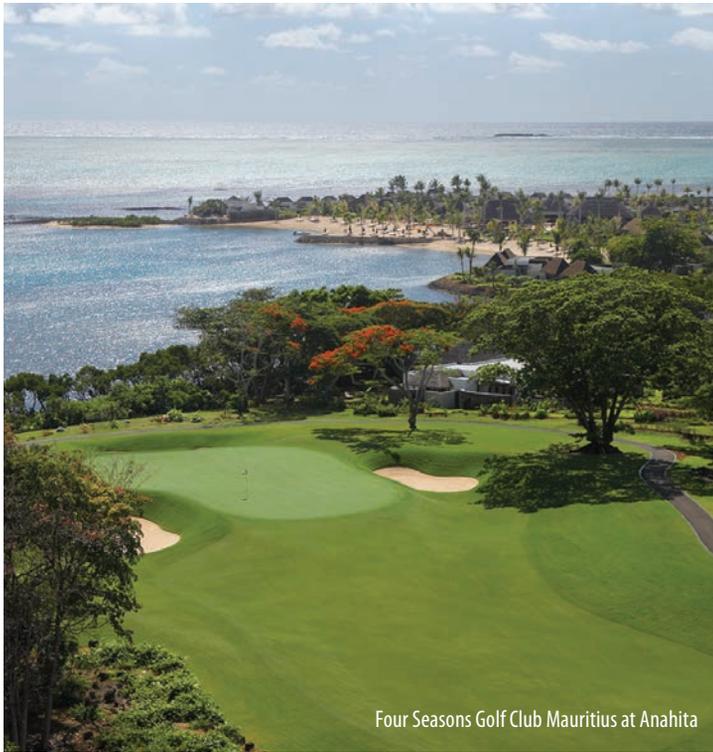

Annual host of the Dubai Desert Classic, the Majlis Course attracts tour professionals from around the world. Carved out of the desert and winding through naturally rolling terrain, the fairways sometimes appear as narrow green targets; expect to play a few sand shots here. Tall dunes frame the perimeter of the course and numerous lakes come into play on several holes, including the famous par-five 18th.

#### *Dubai Creek Golf & Yacht Club*

The Dubai Creek Golf & Yacht Club is regularly a top-ranked course in the region. For a course that is in the heart of the desert, water plays a surprisingly strategic role in your ability to score well, with creeks and ponds commanding strategic placement and layout decisions on holes.

Dubai Creek Golf & Yacht Club, United Arab Emirates

Four Seasons Golf Club Mauritius at Anahita

## Mauritius—Oct. 23-25

Formed by ancient eruptions of undersea volcanoes, tiny Mauritius sits like a diamond in the Indian Ocean. Several options on water and land await. Travel to one of the island's main fishing villages, Mahébourg, to explore its diverse plants and wildlife. The Royal Botanical Gardens of Pamplemousses is one of the most beautiful gardens in the world. For architecture and history enthusiasts, the stone fortress of La Citadelle overlooks the harbor in Port Louis, and the Eureka Colonial House is one of the oldest on the island, featuring gorgeous waterfalls on its grounds. End your stay in Mauritius by participating in a regatta—one of the island's most popular water sports. Join in this fun boating adventure that is followed by a beautiful lunch served outdoors.

*Four Seasons Resort Mauritius at Anahita*

### **The Courses:**

#### ***Four Seasons Golf Club Mauritius at Anahita\****

Anahita, designed by Ernie Els, rises and falls naturally with the landscape, and the holes run in a variety of different directions, which will keep you on your toes as the breezes shift direction. The finishing three holes, which play out and around a small peninsula, are a wonderful and exciting close to an impressive island golf experience.

#### ***Le Touessrok***

Take a 10-minute boat ride to Deer Island to this golf beauty designed by Bernhard Langer, where the sea is visible from every hole and the challenging golf course encompasses almost the entire island.

## George, South Africa—Oct. 26-28

Framed to the north by the verdant Outeniqua Mountains, George is at the heart of South African golf. Away from the courses, travel the Garden Route in splendid Tsitsikamma National Park and ascend Montagu Pass to take in the gorgeous scenery and sample some of the famed wine. Our tour will visit Featherbed Nature Reserve followed by a cruise in Plettenberg Bay to look for whales, dolphins and seals.

*Fancourt Hotel*

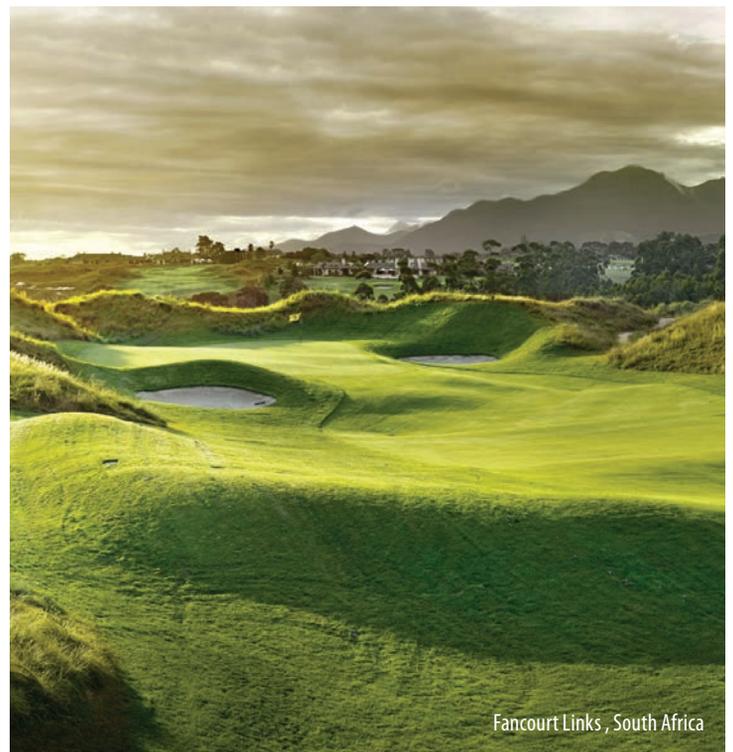

### **The Courses:**

#### ***Fancourt Montagu\****

Updated by David McKay Kidd (Bandon Dunes) in 2005, the Montagu course is one of the original courses at Fancourt. Trees, water features and bunkering force strategic play around this course that rolls through the undulating landscape. Each hole also rewards with spectacular scenery of the surrounding Outeniqua Mountains, fertile farmland and the magnificent Fancourt estate.

#### ***Fancourt Links***

Reminiscent of a true Scottish links course, Gary Player created some of the best links golf in the world here, and it's no wonder Fancourt is ranked as the top course in South Africa. Blind shots, abrupt sandy mounds covered in fescue, small landing areas and firm fast fairways—signatures of a true links course—combined with magnificent views make this a beautiful and challenging course.

## Málaga, Spain—Oct. 29-30

Touring guests can soak up the Mediterranean atmosphere with a variety of activities. In Jerez, sample the world-famous sherries and brandies. Or choose to visit the village of Ronda to sample its cheese and enjoy a *tapas* lunch, and be sure to take a stroll over the Ronda Bridge. In Málaga, visit Alcazaba, the king's palace and the town's most important building from the Moorish period. Art enthusiasts will want to visit the Picasso Museum, featuring work from his early life to the 1970s. Everyone can prepare to get in tune with the *duende* of Andalucía as you indulge in a farewell flamenco dinner.

*Finca Cortesin*

### The Course

#### *Club de Golf Valderrama\**

Designed by Robert Trent Jones Sr., Valderrama, the “Augusta National of Europe,” is the perfect capstone to your golf journey around the world. It's consistently ranked as the top golf course in continental Europe and is also ranked among the world's top 100 courses. The venerable cork oak and olive trees give each of Valderrama's holes a distinctive shape and look. The playing conditions are impeccable and the course provides a serene and—as the site of the 1997 Ryder Cup—historic setting to your closing round of what will be a golf journey like no other.

## Home—Oct. 31

**Refunds will be made within 14 days of receipt of your notice of cancellation.**

Leaving the Tour in progress, for any reason whatsoever, will not result in a refund, and no refunds will be made for any unused portions of the Tour. If you cancel and provide a substitute participant for the Tour, you will receive a full refund of money paid toward the price less, an administrative charge of \$25 for effecting the substitution once the substitute participant has paid in full. **Please note that the costs for visas, commercial air tickets, insurance, suite upgrades, and pre- or post-expedition independent arrangements may not be refundable. If Operator makes major changes prior to departure, you have the right to cancel and receive a full refund.** The following are major changes: (1) a change in the departure or return date, unless the change results from a flight delay experienced by the air carrier (if, however, the delay is longer than 48 hours, it will be considered a major change); (2) a change in the origin or destination city for any flight leg, unless the change affects only the order in which cities named in a tour package are visited; (3) a substitute of any hotel of lower standard; (4) a price increase of more than 10 percent occurring 10 or more days before departure. In no event can Operator increase your price less than 10 days before departure. If a major change must be made in the Tour, Operator will notify you within 7 days after first learning of the change, but in any event at least 10 days prior to the scheduled departure. If, less than 10 days before scheduled departure, Operator becomes aware that a major change must be made, Operator will notify you as soon as possible. **Within 7 days after receiving notification of a major change, but in no event later than departure, you may cancel your reservation and you will receive a full refund within 14 days after cancellation. If a major change occurs after the departure of the flight, which you are unwilling to accept, Operator will refund, within 14 days after your scheduled return date, that portion of your payment**

**which applies to the services not accepted.** If Operator must cancel the Tour in its entirety, Operator will notify you in writing within 7 days of the cancellation, but in no event later than 10 days before the scheduled departure date. **Operator has no right to cancel the Tour less than 10 days before departure, except for circumstances that make it physically impossible to perform the Tour.** If that occurs, Operator will notify you as soon as possible, but not later than the scheduled departure date. If the Tour is canceled, Operator will make a full refund to you within 14 days after cancellation. The rights and remedies made available under this contract are in addition to any other rights or remedies available under applicable law. However, Operator offers refunds under this Agreement with the express understanding that the receipt of that refund by a participant waives the additional remedies.

## TERMS AND CONDITIONS

**Itinerary Changes:** The itinerary and staff are subject to modification and change by Operator. Every reasonable effort will be made to operate the Tour as planned; however, should unforeseen world events and conditions require our itinerary to be altered, Operator reserves the right to do so for the safety and best interest of the group.

**Single/Shared Accommodations and Suite Upgrades:** A limited number of single rooms are available at extra cost on a first-come, first-served basis. Operator will make reasonable efforts to assist persons requesting a roommate. If a roommate is not confirmed, the single rate will be charged. Suite rooms are available in some destinations; more information about them, including their additional costs, will be sent to you in the months before departure.

**Airfare:** We are happy to assist you in reserving commercial flights from your home city to Maui, HI, and from Malaga, Spain to your home city, in the class of service that you prefer. Please ask for details.

**Visa Documents/Entry Permits:** To participate in the Tour, entry visas and/or entry permits will be required for some countries. Acquiring visas and/or entry permits is the responsibility of the Participant. Failure to obtain visas and/or entry permits does not negate the terms and conditions. Any extra costs for reouting participants without visas and/or entry permits will be the responsibility of the participant. Operator will provide information on the necessary visas and/or entry permits in the Tour documents.

**Health Requirements:** This is an active program, which requires you to make a realistic assessment of your health. All participants are expected to be in active good health, to enjoy traveling as part of a group, and to be ready to experience cultural differences with grace. Walking and climbing stairs are required in many hotels and airports, to board the aircraft, during golf and as part of many excursions. *Prior to traveling, Operator highly recommends visiting your personal physician for a check-up, so that you may discuss your ability to participate in this type of journey.* To go to certain destinations or participate in certain activities, you may need to obtain your physician's approval, in this case a form will be sent to you for your physician to sign. Operator is prepared to arrange for an alternative destination or activity, in case a physician recommends it. Malaria and other diseases may be present in some of the countries featured in this itinerary. For the latest recommendations on specific health precautions for the areas you will visit, consult your physician and the Centers for Disease Control. Any physical condition requiring special attention, diet, or treatment should be reported in writing when the reservation is made. Operator will make reasonable efforts to accommodate participants with special needs; however, Operator cannot accommodate wheelchairs. If you require a slower pace, extra assistance, or the use of a cane or walking stick, arrangements will be made for private touring at each destination, if necessary, at the discretion of Operator's staff. Any extra cost for such arrangements will be the responsibility of the participant. If you would like to forego some of the scheduled golf or sightseeing to rejuvenate and relax, please feel free to do so at any time.

**Photography and Video:** Sponsor and Operator reserve the right to take photographs or videos (the "Photography") during the Tour and to use the Photography for promotional purposes. Participants who prefer their images not be used should notify Operator in writing before the commencement of the Tour.

**Basin of Rates:** All prices are based on two persons sharing a room. All prices and fares are quoted in U.S. dollars. The rates are based on current tariffs and are subject to change due to unforeseen circumstances. While Operator will make reasonable efforts to maintain the listed prices, if it is necessary to levy a surcharge, Operator reserves the right to do so and will notify you at the time of final invoicing. Operator reserves the right to cancel the Tour because of inadequate enrollment that makes the Tour economically infeasible to operate. In such a case, a full refund of the Tour cost will be made.

**Release of Liability:** The passenger tickets in use by the carriers shall constitute the sole contract between the carriers and the passenger; the carriers are not responsible for any act, omission, or event during the time expedition participants are not aboard their conveyance. Neither the Sponsor nor Operator, nor any of their respective owners, directors, employees, contractors, officers or agents (collectively, the "Released Parties") shall be held liable for (A) any damage to, or loss of, property or injury to, or death of, persons occasioned directly or indirectly by an act or omission of any other provider, including but not limited to any defect in any aircraft, watercraft, or vehicle operated or provided by such other provider, (B) any loss or damage due to delay, cancellation, or disruption in any manner caused by the laws, regulations, acts or failures to act, demands, orders, or interpositions of any government or any subdivision or agent thereof, or by acts of God, strikes, fire, flood, war, rebellion, terrorism, insurrection, sickness, quarantine, epidemics, theft, or any other cause(s) beyond their control, and (C) any and all claims, actions, or losses for bodily injury, property damage, wrongful death, loss of services, lost profits, consequential, exemplary, indirect or punitive damages or otherwise that may arise out of or occur during your travel in connection with the Tour. The participant waives any claim against any of the Released Parties for any such loss, damage, injury, or death, including any right to seek consequential, punitive or exemplary damages against any of the Released Parties for any reason whatsoever. *None of the Released Parties shall be liable for any air carrier's cancellation penalty incurred by the purchase of a nonrefundable ticket.*

**Acknowledgment of Risk:** You understand and acknowledge that your travel in connection with and participation in the Tour or any activities which may take place during the Tour, may involve risk and potential exposure to injury or fatal injury and that risk and dangers may arise or be caused by the negligence or participation of other participants, contractors, and/or subcontractors for the Tour or from other foreseeable and unforeseeable causes including weather and other acts of nature.

**Express Assumption of Risk and Responsibility:** In recognition of the inherent risk of the travels and related activities in which you are intending to engage, you confirm that you are physically and mentally capable of participating in the Tour and that you willingly and voluntarily assume full responsibility for any injury, loss or damage suffered by you or caused by you. By registering for the Tour, you certify that you do not have any mental, physical or other condition or disability that would create a hazard for yourself or other participants. Operator reserves the right in its sole discretion to accept, decline to accept or remove any participant on the Tour and reserves the right, subject to the terms and conditions contained herein, to withdraw any part or all of the Tour and to make such changes as may be necessary.

**Arbitration:** Any controversy or claim arising out of or relating to this Agreement or the performance there under, including without limitation any claim related to bodily injury, property damage or death, shall be settled by binding arbitration in Seattle, Washington, U.S.A., in accordance with the rules of the American Arbitration Association then existing, and judgment on the arbitration award may be entered in any court having jurisdiction over the subject matter of the controversy. Such proceedings will be governed by substantive Washington law. This agreement to arbitrate does not waive or modify the liability release contained in this document.

**Exclusive Governing Law and Jurisdiction:** This Agreement shall be governed by the laws of the State of Washington, without regard to conflicts of law principles. If the right to seek arbitration is for any reason waived by both parties, or if judicial review of any arbitration is sought, any action or legal proceeding arising out of this Agreement shall be brought exclusively in the courts of the State of Washington, or, if it has or can acquire jurisdiction, in the United States District Court for the Western District of Washington or the appropriate appellate courts, and the parties hereby waive any objection to venue or jurisdiction in connection therewith. In connection with any action or legal proceeding arising out of this Agreement, the parties hereby specifically and knowingly waive any rights that either party might have to demand a jury trial.

By registering for the Tour, the participant agrees to the Operator-Participant Contract and Terms and Conditions set forth in this Agreement.
