# GOLF AROUND THE WORLD

*From the bustling capital of Japan to the serenity of the French countryside, this exclusive journey takes you to some of the finest courses in the world. In between rounds, spend your nights in distinctive hotels and resorts, dine on the finest local and international cuisine, and travel in style aboard a private jet on this incredible 23-day tour.*

## VANCOUVER, BRITISH COLUMBIA

**June 4.** Arrive in Vancouver to begin your journey to some of the best courses, unique hidden gems and exclusive touring opportunities. Enjoy a welcome dinner and a pleasant night's rest before preparing to board our private jet for Japan. Or, plan to arrive early for an optional round of golf.

*Rosewood Hotel Georgia*

## TOKYO, JAPAN

**June 5-8.** Cross the international date line, losing a day en route, before arriving in Tokyo. A city of constant rejuvenation, Tokyo is alive with culture, both ancient and innovative. Our golf experience kicks off at the **Yokohama Country Club**, site of the 2018 Japan Open. Coore and Crenshaw completed a major renovation here in 2015, making this inviting course an ideal setting for our first round. The rolling terrain is full of dramatic potential, with wide swooping fairways giving way to large aprons surrounding wonderfully contoured greens, whose sub-air system ensures ideal conditions throughout the year.

Two full days in Tokyo give us plenty of time to both golf and discover this fascinating capital. Whether it's a guided tour through the modern urban heart of the city; exploring the Imperial Palace and the famous Meiji Shrine; channeling your inner warrior in a Samurai sword lesson; or experiencing a traditional Japanese tea ceremony, our first stop sets the stage for our journey to come.

*The Ritz-Carlton, Tokyo*

## KUNMING, CHINA

**June 9-11.** A crossroads of ancient China, dubbed "the Spring City" for its benign weather, Kunming is the capital of Yunnan Province in south central China. We play both **Spring City Resort** courses: the Jack Nicklaus **Mountain Course** and the Robert Trent Jones, Jr. **Lake Course**. The Lake Course is ranked among the world's top 100 golf courses, but both offer fantastic layouts with pristine conditioning. The Mountain Course is forgiving off the tee, with well-bunkered but receptive fairways featuring generous landing areas. Fast, well-shaped greens are the primary challenge on the Mountain. The Lake Course is demanding off the tee on almost every hole; an accurate tee ball will be critical to a good score.

*Tokyo, Japan*

*Spring City Resort, China*

*Mount Everest, Nepal*

Off the course, guests enjoy the wonders of Yunnan Province, visiting the impressive limestone formations of Stone Forest and taking a cable car into the Western Hills to discover the tranquility and beauty surrounding Dianchi Lake; explore bustling markets during a city tour of Kunming and experience an authentic and traditional Chinese tea ceremony. Or, simply relax and enjoy the calm of the superb full-service spa and hot springs at Bolian Resort. *Bolian Resort & Spa*

## SINGAPORE

**June 12-14.** Weaving a tapestry of cultures, modern Singapore is a unique tropical city-state at the tip of the Malay Peninsula. Our accommodations on Sentosa Island (Sentosa translates to “peace and tranquility”) give us easy access to **Sentosa Golf Club**, where we play both the recently tuned **New Tanjong Course** and the top-100 ranked **Serapong Course**. Until a late 2016 renovation, the Tanjong Course was significantly shorter than Serapong, but the remodel crafted longer holes and smaller greens, and it now holds its own with the finest courses in Singapore and Asia. The Serapong Course has a long-established reputation among the greats and is currently ranked 58th in the world. Mounds, lakes, challenging bunker complexes and slick greens will make for great strategic challenges and a memorable round.

Tour options include visiting the beautifully cultivated Gardens by the Bay; celebrating the tastes of Singapore at the National Kitchen; exploring Singapore’s history through art at the National Gallery; and discovering how the country’s diverse cultures peacefully coexist as we stroll through Chinatown and Little India. *Capella Singapore*

## KATHMANDU, NEPAL

**June 15-16.** With five rounds behind us and six ahead, our two nights in Kathmandu are an ideal opportunity to relax and take in the sights. Alternatively, take advantage of a rare chance to golf in Nepal. David McLay Kidd designed **Gokarna Forest Golf Resort** in 1999. The scenery, with views of the surrounding Everest range, is impressive, and the layout and routing make great use of the mountain topography. Gokarna is sure to be a fun ride and playing against the backdrop of the majestic Himalayas is an unforgettable experience.

Accommodations are at the wonderfully distinct Dwarika’s Hotel, a boutique, family-owned treasure that has been hand-crafted with love over three generations. With multiple UNESCO World Heritage sites in the Kathmandu Valley—including Hindu temples and the Royal Cities of Patan and Kathmandu—our day of exploration will be full and rewarding. Admire Boudhanath, the largest stupa (a type of Buddhist temple) in Nepal, before exploring the ancient temples and palaces of Bhaktapur, with the vibrant Durbar Square. The highlight of our stop in Nepal will be a heli-tour of Mount Everest and breakfast at the top of the world in Kongde Lodge, which overlooks the Everest Range. *Dwarika’s Hotel*

## ALMATY, KAZAKHSTAN

**June 17-19.** Kazakhstan’s largest city, Almaty, is set in the foothills of the Trans-Ili Alatau Mountains. The modern city features two courses: **Nurtau Golf Club** and **Zhailjau Golf Club**, an Arnold Palmer design that is a fixture on the European Challenge Tour. Both courses are wonderful parkland layouts surrounded by spectacular mountain vistas; true gems on our Golf Around the World Tour.

*Scandinavian Golf Club, Denmark*

*Château de Chantilly, France*

Off the course, we immerse ourselves in Kazakh culture at a local market and explore folk music traditions at Kazakhstan's Musical Instrument Museum. We also visit a center for the breeding and training of raptors, where locals maintain the 1,000-year-old Kazakh tradition of hunting with birds of prey. *The Ritz-Carlton, Almaty*

### COPENHAGEN, DENMARK

**June 20-22.** Our penultimate stop in Copenhagen includes not only brilliant golf and cultural sights, but also luxurious accommodations at Hotel d'Angleterre, ideally situated in this fine dining capital of Scandinavia. Play is at the **Scandinavian Golf Club**, a modern 36-hole Robert Trent Jones, II facility. Both the **Old Course** and **New Course** are parkland designs seamlessly woven into the natural setting. Pristinely conditioned, situated among forests and wetlands, the courses are punctuated with a modern and inviting Scandinavian-style clubhouse that overlooks the finishing holes.

In Copenhagen, a city that abounds with history and culture, we enjoy a private cruise through the canals, a visit to Rosenborg Castle and the nearby museum district, and a guided tour of the Royal Copenhagen porcelain factory. Rounding out our explorations, we visit the old city, Town Hall Square, Nyhavn Harbor and Tivoli Gardens. *Hotel d'Angleterre*

### CHANTILLY, FRANCE

**June 23-25.** Our final stop in Chantilly features three nights in one of our favorite boutique hotels and play on two gems in the French countryside: **Golf de Chantilly** and, by special invitation, **Golf de Morfontaine**, one of the world's top 100 courses and the top-ranked course in continental Europe. Both are traditional Tom Simpson designs, though Kyle Phillips recently completed some minor renovations at Morfontaine. The setting at both venues is magnificent, the conditioning superb. These exclusive and private courses don't seek the limelight, so may be off the radar of many golfers, but they make the perfect finish to our golfing journey around the world.

In addition to golf, we visit the historic Château de Chantilly, its wonderful gardens, exhibits and the Great Stables. Our proximity to Paris allows for exploration of its cultural highlights and the occasion to dine in Michelin-starred venues. *Auberge du Jeu de Paume*

### PARIS, FRANCE

**June 26.** We transfer from Chantilly to nearby Paris, where you can connect to your independent flight home.

*Golf de Morfontaine, France*
