SOUTH AMERICA GOLF TOUR

NOVEMBER 9–20, 2019

RIO DE JANEIRO • IGUAZÚ FALLS • BUENOS AIRES • BARILOCHE • SANTIAGO • MACHU PICCHU

THE UNDISCOVERED CONTINENT, South America has been described as a land of mysterious jungle cut by the mighty Amazon River in the east and defined by the high desert and rugged Andes in the west. Indeed, wild rivers and vast wilderness outline the broader landscape, but both ancient civilizations and vibrant metropolises with fresh and bustling cultures, are what draw us here.

With the re-introduction of golf to the Olympic Games in Rio, one of the continent's best kept secrets has been revealed: South America has a well-established, and growing golf offering. Golf has been relatively inaccessible to tourists as some of the best courses are private, cloistered behind fences. That is all changing thanks to the Olympic Course and the launch of several tourist-friendly resorts. As well, we have built relationships with private clubs like Gávea Golf Club, Buenos Aires Golf Club and Pilará, to gain exclusive access for our group. We play these and several other hidden gems on this extraordinary journey, the ultimate golf and touring experience spanning South America.

Discover the pleasure and ease of traveling with Kalos Golf via privately chartered air. Our attentive staff awaits at every course with your bag already prepped for your arrival. For each round, we accommodate pairing requests or match you with new friends who share your skill level and enthusiasm for the game.

For those interested in more than golf, we have designed exciting tours to meet the needs of discriminating travelers; exploring the thrill of Rio de Janeiro, experiencing the music and food scene in Buenos Aires, discovering the majesty of the mountains and lakes of Patagonia, touring the cultural highlights of Chile.

Whether playing golf or discovering modern and ancient cultures with our experienced guides, shopping or exploring on your own, you will experience unsurpassed personal service and attention, returning from your journey with new and enriched friendships and memories of a captivating experience.

NOVEMBER 9: RIO DE JANEIRO, BRAZIL

Plan to arrive in Rio de Janeiro on November 9, where you will be greeted at the airport and transferred to the Belmond Copacabana Palace. Relax and explore nearby Copacabana Beach until our welcome reception this evening. If you plan to arrive early in Rio, we are happy to make arrangements for additional nights at the Copacabana Palace.

OVERNIGHT: BELMOND COPACABANA PALACE

NOVEMBER 10: RIO DE JANEIRO

GOLF: OLYMPIC GOLF COURSE

Gil Hanse designed this links-style course for the Rio Olympic Games. Built on a sandy peninsula, the course is relatively flat, but Hanse has produced wonderful variety and a great challenge that plays firm and fast with multiple slight swells and rolls. As on any good links course, the wind plays a significant factor, and almost every hole switches direction. Combined with an ideal mix of hole lengths and well-conceived green complexes, it serves as a wonderful ambassador of South American golf, and will surely be a memorable opening round.

TOUR: SUGARLOAF MOUNTAIN

Touring guests ride to the top of Sugarloaf Mountain today. We first take a cable car 650 feet up to Urca Hill, where we can disembark and explore the nearby shops, restaurants and shady gardens. Continuing our cable car ride up to 1,200 feet to the top of Sugarloaf Mountain, we will be rewarded with spectacular views of Rio de Janeiro.

OVERNIGHT: BELMOND COPACABANA PALACE

NOVEMBER 11: RIO DE JANEIRO, BRAZIL

GOLF: GÁVEA GOLF AND COUNTRY CLUB

Widely regarded as Rio's most prestigious golf club, Gávea is a wonderful representation of South American golf. Short by modern standards, elevation changes demand proper club choice, as a rolling and twisting front nine gives way to a few flatter coastal holes before climbing back to the clubhouse. The course was established in 1926 adjacent to the Tijuca National Forest in the shadow of a looming rocky outcrop, Pedra da Gávea. Stanley Thompson and Robert Trent Jones put their stamp on this private course in the early 1930's, and Thompson's signature can best be seen on the raised par three greens, surrounded by ample bunkering.

TOUR: CORCOVADO MOUNTAIN & SAMBA CITY

No visit to Rio would be complete without a panoramic view from atop Corcovado Mountain where Christ the Redeemer stands. Our day begins by exploring Copacabana Beach before we travel to the top of Corcovado Mountain and wonder at the expanse of Rio de Janeiro below. We then enjoy lunch in the Santa Teresa neighborhood before ending our day with a visit to Samba City, where we are immersed in all things Carnival, from learning about costume making to trying out some dance moves. A full and lively day in Rio is at hand for touring guests!

OVERNIGHT: BELMOND COPACABANA PALACE

NOVEMBER 12: RIO DE JANEIRO • IGUAZÚ FALLS • BUENOS AIRES, ARGENTINA

After breakfast in Rio, we board our charter flight for a short trip to Iguazú Falls. With our own aircraft for the day, we take full advantage en route to Buenos Aires, making a touring stop at this majestic natural wonder. We will view the falls from a spectacular overlook, and enjoy lunch at the Belmond Hotel. Later this afternoon, our charter flight takes us on to Buenos Aires, where we check in to the Four Seasons.

OVERNIGHT: FOUR SEASONS BUENOS AIRES

.....
NOVEMBER 13: BUENOS AIRES, ARGENTINA

GOLF: BUENOS AIRES GOLF CLUB—GREEN AND YELLOW
This Robert von Hagge gem is exclusive and exceptionally maintained. Two mammoth lakes reside in the center of the property and water hazards present the primary defense off the tee. Mounds and moguls surround the fringes of the speedy greens, challenging players to make an accurate approach, or battle the mounds to get up and down. The course has hosted multiple international tournaments, including the EMC World Cup and Argentine Open. A fun and challenging first round in this capital of Argentina is in store.

TOUR: BUENOS AIRES CITY TOUR
A tour of the magnificent Colón Opera House starts our day. Considered to be among the finest concert venues acoustically in the world, this behind-the-scenes tour will be special. We also explore some highlights of Buenos Aires including the Plaza de Mayo, national cathedral and the La Recoleta neighborhood, which is the hub of the city's aristocracy and home to high-end shopping.

OVERNIGHT: FOUR SEASONS BUENOS AIRES

.....
NOVEMBER 14: BUENOS AIRES

GOLF: PILARÁ GOLF CLUB
Opened in 2013, Pilará is a wonderful Nicklaus Signature private club with an open country layout. The course spans over rolling terrain with sight lines that extend across the entire landscape. Dotted with 76 white sand bunkers and water protecting eight holes, each shot must be well-planned and executed with the next in mind to earn the optimal approach to large, undulating greens. Typical of Nicklaus designs, setting up the approach from the correct angle will make all the difference in challenging par.

TOUR: TRADITIONAL ESTANCIA
We see the embassies, palaces, and mansions of the Little Palermo neighborhood before venturing into the countryside to visit the Estancia La Bamba de Areco, where we enjoy a tour of the historic property, a gaucho show and a barbecue lunch of local delicacies.

OVERNIGHT: FOUR SEASONS BUENOS AIRES

.....
NOVEMBER 15: BUENOS AIRES • BARILOCHE, ARGENTINA

We fly from Buenos Aires to Bariloche in the heart of Argentina's Lake District in Patagonia. Our home for the next three nights is Llao Llao Resort, spectacularly set amidst crystal blue lakes, snow-capped peaks and unexplored larch and cypress forests. The natural beauty surrounding Nahuel Huapi Lake unfolds before us today as we enjoy a lake cruise and lunch aboard the historic and iconic *Modesta Victoria*, whose teak decks and bronze hardware combine to strike the ideal expression of rustic elegance.

OVERNIGHT: LLAO LLAO HOTEL & RESORT

NOVEMBER 17: BARILOCHE

GOLF: LLAO LLAO GOLF RESORT

Llao Llao is a course that demands precision off the tee. It is a short and compact track with a few holes that make curious use of elevation changes and forced carries; from a design standpoint, it is unusual. Ultimately, it's the overall setting here that makes the experience at Llao Llao unique, set in the heart of Patagonia with spectacular lake and mountain views throughout. Access from our accommodations on property will make for a convenient game, with plenty of time to enjoy the resort before and after your round.

TOUR: ARTISANS TOUR OR GUIDED BIKING TOUR

More options to discover Patagonia are available today. Local artisans are the life-blood of Patagonia; from hand-spun wool and hand-made leather pieces to world-renowned Bariloche chocolate, we will be hosted by local artists and have an opportunity to learn about their sourcing, artistry and search for that perfect memento of our visit. Or, guests may choose to join a guided cycling tour around the lakes, hills and ancient forests that surround our resort to take in some wonderful Patagonian vistas.

OVERNIGHT: LLAO LLAO HOTEL & RESORT

.....
NOVEMBER 18: BARILOCHE • SANTIAGO, CHILE

Our charter flight takes us to Santiago, Chile this morning. On arrival, we check in to the The Singular Hotel and enjoy lunch. Afterwards, we will offer a city highlights tour of Santiago.

OVERNIGHT: THE SINGULAR HOTEL

.....
NOVEMBER 19: SANTIAGO

GOLF: HACIENDA CHICUREO CLUB DE GOLF

Santiago lies in a valley between the Andes and Chilean Coastal Range. At 1,700 feet above sea level, this high desert town is an ideal setting for golf. Hacienda Chicureo Club de Golf, designed by Mike Amundson, has hosted multiple Latin America PGA Tour events. There are two distinct nines here. While the front gently undulates, and the open driving areas allow for a straightforward approach to each hole, the back sneaks into the foothills where rolls, elevation change and doglegs are more pronounced, demanding a well-conceived strategy to set up the ideal line to the green.

TOUR: VALPARAÍSO

Touring guests visit the coastal town of Valparaíso, a UNESCO World Heritage Site. We walk the labyrinth of cobbled alleys between the town's rainbow of historic buildings, discovering a vibrant street art scene. After lunch at Portofino Restaurant, we visit the home of famed Chilean poet Pablo Neruda, whose unique collection of artifacts document his travel around the world.

OVERNIGHT: THE SINGULAR HOTEL

.....
NOVEMBER 20: SANTIAGO • HOME

This morning, we depart for the Santiago Airport for home bound flights. Or, join us as we travel to Peru for our Machu Picchu Extension.

GOLF'S FINEST TRAVEL EXPERIENCE

The truth about great international golf courses is that they are typically in close proximity to fascinating cultural and historic venues, immersed in unique landscapes ripe for discovery, making our trips ideal for couples in which one spouse is a passionate golfer, and one may rather tour. We dedicate as much purpose to planning and executing our touring programs as we do our golf line-up; no other golf tour operator can make this promise.

We know our clients demand stimulating experiences beyond golf and strive to present our guests with a rich blend of choices between golf and touring each day. Even the heartiest golfers among our guests often remark, "it was tough to decide today between the tour and the links."

Each day, touring passengers will have the option to experience fascinating cultural and historic or culinary and wine tours. On some days, golfers and tour guests will spend the day touring together and on others, they will get together for a private wine tasting or tour after golf.

We challenge you to find a touring program with any other luxury golf tour operator that is as robust, inclusive and exclusive as you will find on a Kalos Golf tour.
