GLENEAGLES PRE-TOUR
JUNE 20–23, 2022

Join us on our Gleneagles Pre-Tour and play two wonderful courses at Gleneagles. Depart your home city on June 20 and arrive in Edinburgh on June 21, where you will be greeted and transferred to the Gleneagles Hotel for two nights.

Two rounds of golf are planned. First, we play the King's Course which is ranked #100 in the world by *Golf Digest*. We also play the shorter Queen's Course. Both courses were designed by James Braid (Carnoustie), but their moorland landscape makes them distinct from classic links, with far more elevation change than we will experience on the sailing portion of our journey.

Beyond golf, there are multiple opportunities to enjoy Gleneagles, which many have likened to the experience of a classic country house akin to Highclere Castle of *Downton Abbey* fame.

Gleneagles Pre-Tour price is detailed on the reservation form by accommodation preference. Price includes two rounds of golf and two nights at Gleneagles Hotel, breakfasts and lunch during golf, transfer from Edinburgh Airport on June 21 and transfer to Le Dumont-d'Urville on June 23; additional charges may be incurred for transfers on other arrival dates.

JUNE 24: BELFAST, NORTHERN IRELAND

GOLF: THE ROYAL COUNTY DOWN GOLF CLUB
Designed by Old Tom Morris, Royal County Down is admired as one of the most beautiful golf courses in the world, and currently sits atop *Golf Digest's* world rankings of best courses. Laid out through giant sandhills along a narrow strip of land between Dundrum Bay and the Mourne Mountains, it offers spellbinding scenery and a fine test of golf.

TOUR: BELFAST

Famous for its political, literary and seafaring history, this capital of Northern Ireland is becoming one of Europe's favored destinations. We will explore Queen's University, the Cathedral Quarter and Parliament Buildings. Our tour includes a visit to the *Titanic* Museum, City Hall and a stop to see the city's political murals created during "The Troubles."

.....

JUNE 25: CAMPBELTOWN, SCOTLAND

GOLF: MACHRIHANISH GOLF CLUB

The first at Machrihanish, referred to by many as the greatest opening hole in golf and nicknamed "the battery," is a fitting start to what is sure to be a memorable round. Machrihanish is classic, rugged links, running out and back along the coast, shaped by time and the elements, dotted with pot bunkers and rolling swales. A wonderful test awaits on the western coast of Scotland.

TOUR: CAMPBELTOWN

Our private guide leads us on a tour starting at the city center, teaching us about the fascinating cultural, social and economic influences which have shaped Campbeltown. Our walk includes a visit to a local whisky distillery – Campbeltown is one of only five distinct whisky producing regions in Scotland – and lunch at a local eatery.

.....
JUNE 26: PORTRUSH, NORTHERN IRELAND

GOLF: ROYAL PORTRUSH GOLF CLUB

Designed by H. S. Colt, the Dunluce Links at Royal Portrush Golf Club is the only course outside of Scotland and England to host The Open, most recently in 2019. Harry Colt considered the course to be his masterpiece and not a single hole fails to impress. Calamity Corner is recognized as one of the world's most treacherous par threes, with its green perched on the edge of a precipice.

TOUR: GIANT'S CAUSEWAY AND DUNLUCE CASTLE

Those on tour visit two marvels of the Antrim Coast. Our first stop is at the Giant's Causeway, a natural rock formation often referred to as the "eighth wonder of the world." Farther down the road lies Dunluce Castle, precariously situated on a cliff overlooking the sea.

.....
JUNE 27: DAY AT SEA

There is no better way to enjoy our host vessel than a full day at sea aboard *Le Dumont-d'Urville*. Sit back, relax and enjoy the wonderful spa and personal service as we take in the natural scenery and cruise on our private vessel through the Hebrides around Scotland to Invergordon.

JUNE 28: INVERGORDON, SCOTLAND

GOLF: ROYAL DORNOCH GOLF CLUB OR CASTLE STUART GOLF LINKS
Today, all golfers choose between two world-ranked courses.

Royal Dornoch Golf Club: The remoteness of Royal Dornoch has helped create a mystique about this magnificent golf outpost, just four degrees below the Arctic Circle. Overlooking the North Sea, Dornoch is characterized by gentle sandy swells and rolls. Considered a brilliant example of links design, it is ranked 4th among the world's top 100 courses outside the United States by *Golf Digest*. Renowned golf course architect Donald Ross, who was born in Dornoch, caddied at the club as a youngster and later spent six years as greenskeeper and golf professional at Dornoch.

Castle Stuart Golf Links: Designed by Gil Hanse and Mark Parsinen, Castle Stuart opened in 2009 to instant acclaim and was one of the best kept secrets in Scotland until it hosted the 2011 Scottish Open. The course is routed along the Moray Firth with prominent landmarks on each hole—views of Kessock Bridge, Fort George and Castle Stuart itself. With generous fairways and approach areas, subtle bunkering and strategic options, Castle Stuart offers the perfect balance of enjoyment and challenge.

TOUR: DUNROBIN CASTLE & GLENMORANGIE HOUSE

This morning, we visit Dunrobin Castle, the seat of the Earls of Sutherland since the 13th century. Following our guided tour of the castle and gardens, we are treated to a demonstration of the fine art of falconry. Lunch is at Glenmorangie House and afterward, we visit the quaint village of Dornoch, which guests have time to explore independently.

JUNE 29: PETERHEAD, SCOTLAND

GOLF: TRUMP GOLF LINKS SCOTLAND OR CRUDEN BAY

Today, golfers choose between modern links and historic links by playing one of these two gems.

Trump Golf Links Scotland: Martin Hawtree designed this dramatic layout in the midst of some of the largest dunes to be found in Scotland. The towering dunes shield the wind at times but the panoramas from the higher tee boxes bring all the elements into play. Hawtree's imagination in laying out these challenging holes leaves an authentic links feel where par on any hole is to be cherished.

Cruden Bay: Frequently referred to as the most dramatic golf links in Scotland, Cruden Bay's natural routing combined with its stunning setting and landscape invites golfers to return again and again. You don't have to be a long hitter to enjoy Cruden Bay. The key to a great round is in your approach to the imaginatively positioned greens.

TOUR: CRATHES CASTLE

Our tour heads to Royal Deeside, where we visit Crathes Castle, one of the finest examples of a 16th century tower house in all of Scotland. The castle's impressive interior features several Scottish Renaissance painted ceilings, and is matched wonderfully by the lovely surrounding walled gardens. Afterward, we enjoy lunch at The Marcliffe Hotel in Aberdeen.

.....
JUNE 30: EDINBURGH, SCOTLAND • ST ANDREWS

We bid farewell to the Captain and crew this morning, disembarking in Edinburgh and transferring to St Andrews, where we check in to The Old Course Hotel for the remainder of our journey.

GOLF: DUMBARNIE LINKS

Dumbarnie Links is a breathtaking new venue, and some are calling it "Kingsbarns' sibling." We have scouted the course over multiple visits and are very much looking forward to bringing Kalos guests to share in our enthusiasm for the course. With a large expanse of sea frontage and panoramic views over the Firth of Forth, this true links is sure to be a quick addition to everyone's "must play" list.

TOUR: EDINBURGH

Touring guests visit Edinburgh, the royal and ancient capital of Scotland, where old and new strike an ideal balance for a wonderful day of discovery. We first tour Edinburgh Castle, the impressive home to the Scottish crown jewels; the views from the castle ramparts are not to be missed. After our castle tour, there is time for individual exploration, shopping George Street, viewing the spectacular gardens along Princes Street, and lunch along the cobbled streets of the Royal Mile in the heart of medieval Old Town. In the afternoon, we visit *The Royal Yacht Britannia*, the former royal yacht of Queen Elizabeth II.

OVERNIGHT: THE OLD COURSE HOTEL

.....
JULY 1: ST ANDREWS

GOLF: CARNOUSTIE GOLF LINKS

The game of golf has been played at Carnoustie for more than four centuries. Tom Morris extended the course to 18 holes in 1867, but it was James Braid who brought sweeping changes to the course in preparation for its first Open in 1931. Hogan's Alley, The Spectacles bunkers and the 17th hole, with its Barry Burn all make the "Angus Monster" one of the world's most memorable and challenging Open venues.

TOUR: FOOD TOUR OF FIFE

Touring guests are in for a treat today as acclaimed Scottish chef, author and Fife food ambassador Christopher Trotter is our guide and companion for the day. Christopher's talent for storytelling shines as he weaves tales of Scottish love of local food while introducing us to farmers and fishermen, cheesemakers and a chocolatier. It is sure to be an ideal day spent enjoying the tastes of Scotland, against the backdrop of some of the most picturesque, quaint locales in Fife.

OVERNIGHT: THE OLD COURSE HOTEL

.....
JULY 2: ST ANDREWS

GOLF: KINGSBARNs GOLF LINKS

One of the youngest courses to be ranked among the top 100 in the world, Kingsbarns has absorbed the six centuries of golf history that surround this links course. Golfers have sea vistas from nearly every hole as they play what is widely considered to be the most beautiful course in St Andrews.

TOUR: FALKLAND PALACE & THE PEAT INN

Our tour visits Falkland Palace, one of the finest examples of Renaissance architecture in Scotland, inspired by the grand chateaus of France. A retreat favored by the royal Stuarts, Falkland Palace was the residence of Mary, Queen of Scots, who enjoyed hunting, falconry and tennis on what is now the oldest tennis court in the world. We tour the impressive gardens and interiors before visiting the Michelin-starred Peat Inn for lunch on our way back to St Andrews.

OVERNIGHT: THE OLD COURSE HOTEL

.....
JULY 3: ST ANDREWS • EDINBURGH • HOME

Today, we bid farewell to the Home of Golf and transfer to Edinburgh for home bound flights.

GOLF'S FINEST TRAVEL EXPERIENCE

The truth about great international golf courses is that they are typically in close proximity to fascinating cultural and historic venues, immersed in unique landscapes ripe for discovery, making our trips ideal for couples in which one spouse is a passionate golfer, and one may rather tour. We dedicate as much purpose to planning and executing our touring programs as we do our golf line-up; no other golf tour operator can make this promise.

We know our clients demand stimulating experiences beyond golf and strive to present our guests with a rich blend of choices between golf and touring each day. Even the heartiest golfers among our guests often remark, "it was tough to decide today between the tour and the links."

Each day, touring passengers will have the option to experience fascinating cultural and historic or culinary and wine tours. On some days, golfers and tour guests will spend the day touring together and on others, they will get together for a private wine tasting or tour after golf.

We challenge you to find a touring program with any other luxury golf tour operator that is as robust, inclusive and exclusive as you will find on a Kalos Golf tour.
