

Crystal Symphony
BAL TIC GOLF CRUISE
JULY 28–AUGUST 10, 2022

SWEDEN • FINLAND • RUSSIA • ESTONIA • GERMANY • DENMARK

ONCE THE RUGGED EXPANSE OF northern Europe, the Baltic region is known today for its sophistication, architecture, white nights and passion for great golf. Our journey takes us through six fascinating countries in the region.

We begin in Stockholm, Sweden, consistently ranked as one of the most livable cities in the world and a favorite of Kalos Golf passengers. Touring guests experience the city's historic and cultural highlights, while golfers play Ullna Golf Club and Bro Hof Slott Golf Club.

In addition to spectacular golf, we'll have ample opportunity to immerse ourselves in the cultural splendor of the Baltics. A highlight will certainly be three days spent in St. Petersburg, Russia, which projects the magnificent legacy of Catherine the Great through its wonderful and unique art and architecture. Tours are planned to Catherine's Palace, Peterhof Palace, Yusopov Palace, the Fabergé Museum, and the Church on Spilled Blood, and we also enjoy a special opening at the famed Hermitage Museum.

Host vessel for this Baltic Golf Cruise is Crystal Symphony, known for elegance, grace and the highest level of personal service. Crystal Cruises' uncompromising quality, gourmet dining and variety of public spaces provide the perfect atmosphere for our journey.

Regardless of how much golf your ideal vacation includes, Kalos offers daily tours that delight and enrich. Whether you are touring historic cities with experienced guides, shopping or exploring on your own or sampling Scandinavian cuisine, you will savor each day.

JULY 28/29: HOME • STOCKHOLM, SWEDEN

Depart your home city on July 28 for an overnight flight to Stockholm. On arrival, you will be greeted and transferred to the five-star Grand Hôtel Stockholm, where we stay for two nights. Enjoy the afternoon exploring the neighborhood around our ideally-located hotel before our welcome reception this evening.

JULY 30: STOCKHOLM

GOLF: ULLNA GOLF CLUB

Ullna, a scenic lakeside course that has hosted five European Tour events, is best defined as the heart of Swedish golf. The course, originally designed by Swedish hockey legend Sven Tumba, underwent a Nicklaus redesign in 2012 to enhance its play. As a youngster, Jesper Parnevik developed his golf skills here while the pride of Swedish golf—Annika Sörenstam—holds the course record.

TOUR: STOCKHOLM

Touring passengers are treated to the many highlights of Stockholm, including the royal island of Djurgården and the medieval Gamla Stan (Old Town) with its cathedral and Royal Palace. Not to be missed is the Stadshuset, the venue for the annual Nobel Peace Prize banquet and home of the Golden Hall, decorated completely in gilded mosaic tiles.

JULY 31: STOCKHOLM

GOLF: BRO HOF SLOTT GOLF CLUB

Robert Trent Jones, Jr. designed this stadium course to offer challenging golf enhanced by impressive views of Lake Mälaren, which nearly surrounds the course. The serenity of the course is unusual given the thousands of birds that make this impressive lake home. Bro Hof Slott is often touted as Sweden's best course, and is a must play in Sweden.

TOUR: DROTTNINGHOLM PALACE

Our tour visits Drottningholm Palace, the permanent home of Sweden's king and queen. The palace is a UNESCO World Heritage Site and is the most well-preserved royal castle built in the 1600's in Sweden.

After golf and touring today, we embark *Crystal Symphony*.

AUGUST 1: STOCKHOLM

This morning, we visit the extraordinary maritime *Vasa* Museum. *Vasa* was the world's largest warship (226 feet) when it was built in the 1620's. After sinking on her maiden voyage in Stockholm Harbor, *Vasa* was recovered in 1961 and fully restored to her original beauty. We depart Stockholm this afternoon, sailing through the archipelago en route to Helsinki.

.....
AUGUST 2: HELSINKI, FINLAND

GOLF: HIRSALA GOLF CLUB

Hirsala presents a wonderful, typical Finnish forest course that winds its way through pine and streams, rolling gently from hole to hole. This heathland course boasts ideal conditions and will challenge golfers with precision needed to hit fairways and greens surrounded by water and trees. The course finishes strong with the difficult 17th and signature 18th.

TOUR: HELSINKI

Touring passengers will discover the wealth of Art Nouveau and ultramodern architecture that has made Helsinki a gem of the northern Baltic. Russian and Swedish influence is apparent in the neoclassical Senate Square, one of the most beautiful urban squares in the world. We will also visit the Tori Quarter and Market Square, getting an intimate feel for life in this thriving and charming city.

.....
AUGUST 3: ST. PETERSBURG, RUSSIA

TOUR: CATHERINE'S PALACE & YUSUPOV PALACE

Today, all guests visit the impressive Baroque Catherine's Palace, exploring the magnificent interiors and expansive gardens. Later, we proceed to Yusupov Palace, where a wonderful example of Russian classicism plays out in the dazzling ballrooms, exquisite salons and magnificent theater where Liszt once played and Pavlova danced. Arrangements can be made to attend one of the many world-renowned ballet or symphony performances this evening.

.....

AUGUST 4: ST. PETERSBURG

GOLF: PETERHOF GOLF CLUB

A relative newcomer to golf in Russia, Peterhof Golf Club is located close to Peterhof and Konstantinovsky Palaces. A testing par-five first hole reveals the main defenses of this open country course: water down the right and an approach to a green that is well protected by bunkering. Water plays a significant role throughout, coming into play on 11 holes, with bunkers and doglegs contributing challenge and character to the relatively flat terrain. With limited opportunities to play golf in Russia, Peterhof Golf Club is sure to be a unique treat.

TOUR: CITY TOUR, CHURCH ON SPILLED BLOOD & HERMITAGE MUSEUM

Today, we enjoy a panoramic tour of St. Petersburg, including a visit to the magnificent Church of Our Savior on Spilled Blood. We also tour the world-renowned Hermitage Museum, housed in the splendid Winter Palace. With over three million pieces of art, The Hermitage Museum holds one of the world's most valuable collections of fine art and artifacts, including works by the great masters of the Renaissance: Da Vinci, Raphael, Giorgione, Titian and Michelangelo.

.....

AUGUST 5: ST. PETERSBURG

TOUR: PETERHOF PALACE & FABERGÉ MUSEUM

This morning, we visit Peterhof Palace, one of St. Petersburg's most spectacular imperial estates, built by Peter the Great. After touring the gardens, we walk through Low Park with its alley of 22 fountains and then board a hydrofoil for the return trip to St. Petersburg. This afternoon, we visit the Fabergé Museum at Shuvalov Palace, which hosts the world's largest collection of works by Fabergé.

.....

AUGUST 6: TALLINN, ESTONIA

GOLF: ESTONIA GOLF CLUB – SEA COURSE

Just outside Tallinn sits this delightful European Tour venue. Situated on the delta of the Jägala River, the Sea Course is routed over three distinct types of terrain: parkland, heathland and links. Water hazards feature at several holes, most effectively at the signature par-four 13th where the tee shot must avoid a prominent lake on the right as the fairway doglegs to the green.

TOUR: TALLINN

The ancient spires and gables in the capital of Estonia greet us as we discover Tallinn, a UNESCO World Heritage Site. Having escaped the ravages of war, Tallinn is a beautifully preserved medieval town which has remained virtually unchanged for the last 600 years.

.....
AUGUST 7: DAY AT SEA

Relax on the sun-soaked decks or treat yourself to a massage at the spa, and enjoy the many amenities of *Crystal Symphony* as we cruise the Baltic Sea to Germany.

.....
AUGUST 8: WARNEMÜNDE, GERMANY

GOLF: WINSTONGOLF – OPEN COURSE

The Open Course at WINSTONGOLF is the original course at the resort. This wonderfully conditioned parkland layout offers spectacular views over the moraine landscape with lakes, rivers and woodland, and requires an expert putting stroke on the undulating greens.

TOUR: SCHWERIN

Touring guests begin their day at Schwerin Castle, situated on an isolated and picturesque island. Our tour discovers the thousand-year history of this fairytale-like marvel, which served as the residence of the Dukes of Mecklenburg. Afterward, we tour Old Town Schwerin, getting a sense of medieval life as we walk the narrow streets and visit its market square.

.....
AUGUST 9: COPENHAGEN, DENMARK

GOLF: THE SCANDINAVIAN GOLF CLUB – OLD COURSE

Converted from an old military base, Robert Trent Jones, Jr. designed this top-tier golf complex. The Old Course is regularly recognized as one of Denmark's top five courses. Accuracy is key as precision play is far more crucial than length. There are several instances on the Old where the illusion of danger has been built into the design, making for a fun strategic challenge throughout.

TOUR: COPENHAGEN

We tour Copenhagen, the liveliest Scandinavian city, where we take a canal boat ride through trendy Nyhavn Harbour and past the Little Mermaid statue. This afternoon, we visit the flagship Royal Copenhagen porcelain store, maker of some of the world's finest china.

.....
AUGUST 10: COPENHAGEN • HOME

We bid farewell to the Captain and crew as we disembark *Crystal Symphony* and transfer to the Copenhagen Airport for return flights home.

GOLF'S FINEST TRAVEL EXPERIENCE

The truth about great international golf courses is that they are typically in close proximity to fascinating cultural and historic venues, immersed in unique landscapes ripe for discovery, making our trips ideal for couples in which one spouse is a passionate golfer, and one may rather tour. We dedicate as much purpose to planning and executing our touring programs as we do our golf line-up; no other golf tour operator can make this promise.

We know our clients demand stimulating experiences beyond golf and strive to present our guests with a rich blend of choices between golf and touring each day. Even the heartiest golfers among our guests often remark, "it was tough to decide today between the tour and the links."

Each day, touring passengers will have the option to experience fascinating cultural and historic or culinary and wine tours. On some days, golfers and tour guests will spend the day touring together and on others, they will get together for a private wine tasting or tour after golf.

We challenge you to find a touring program with any other luxury golf tour operator that is as robust, inclusive and exclusive as you will find on a Kalos Golf tour.
