AUSTRALIA GOLF TOUR

By Chartered Air

OCTOBER 26–NOVEMBER 9, 2022

SYDNEY • GREAT BARRIER REEF • ADELAIDE • MELBOURNE • TASMANIA

THE LAND DOWN UNDER *has been inhabited for more than 60,000 years. Covering an area as large as the United States, it boasts a diverse landscape from the lush woods of Tasmania in the south to the Great Barrier Reef in the north and the cultural coastal capitals. Australia presents a wonderful mix of natural beauty and cosmopolitan modernity, an ideal backdrop for our travels.*

With 11 courses ranked in the world's top 100, Australia is truly the Southern Hemisphere's golf capital. The seven world-ranked courses we play are all among Australia's top ten including: New South Wales, Royal Adelaide, Royal Melbourne, Kingston Heath and the remote Cape Wickham Links; it is one of the most impressive golf line-ups on any itinerary in the world.

Discover the pleasure and ease of traveling with Kalos Golf via chartered air. Our attentive staff awaits at every course with your bag already prepped for your arrival. For each round, we accommodate pairing requests or match you with new friends who share your skill level and enthusiasm for the game.

For those interested in more than golf, we have designed exciting tours to meet the needs of discriminating travelers; discovering the unique wildlife of Australia and the Great Barrier Reef, exploring the vineyards of South Australia, experiencing the rustic hospitality of a working sheep farm.

Whether playing golf or touring with our experienced guides, shopping or exploring on your own, you will experience unsurpassed personal attention, returning from your journey with new and enriched friendships and memories of a captivating experience.

In 1994, we introduced the golf cruise, a new concept in travel. Chartering boutique ships, we began hosting a select number of country club members aboard what became our own private club afloat, escorting guests comfortably and stylishly to the top courses and touring destinations in Europe. These small groups of travelers appreciated the exceptional service, unique and comfortable accommodations we offered, and enjoyed the camaraderie of old and new friends along the way.

Since our founding, we have continuously enhanced our service and expanded our selection of uniquely designed itineraries to the finest golf and touring destinations around the world. In the process, we've created enduring relationships and special memories with our loyal clients.

Kalos Golf itineraries combine the best of global golf and touring with five-star service, whether by sea, air or land. We privately charter vessels that accommodate a small number of like-minded guests, and stay at unique and distinctive boutique properties throughout our journeys. In essence, these small groups become a private club and create the ideal atmosphere for an intimate golf and travel experience.

In addition to great golf in historic locations, we arrange daily tours for those not playing golf. We visit cultural, historic and culinary treasures around the world, where our focus is on private experiences that allow us to avoid large crowds, as our expert guides and staff ensure a memorable, distinct and safe journey throughout.

OCTOBER 26: SYDNEY, AUSTRALIA

Plan to arrive in Sydney on October 26. You will be transferred to the Four Seasons Hotel Sydney, located in the heart of The Rocks District, in the shadow of the Harbour Bridge and walking distance to the Sydney Opera House. Relax and explore this wonderful neighborhood until our welcome reception this evening. If you plan to arrive early, we are happy to make arrangements for additional hotel nights in Sydney.

OVERNIGHT: *FOUR SEASONS HOTEL SYDNEY*

OCTOBER 27: SYDNEY

GOLF: *CONCORD GOLF CLUB*

We begin our golf journey in Sydney's western suburbs at Concord Golf Club, one of Australia's oldest (1899) and most prestigious clubs. This short, compact course underwent a redesign in 2018 by Tom Doak's Renaissance Golf Design team, the impact of which is most apparent in the greens. Prior to the redesign, it was near a requirement to hit these greens on the fly or attempt an up and down from a bunker or tangled kikuyu grass. The new greens and approach areas allow for more creative lines and friendlier recoveries.

TOUR: *SYDNEY PANORAMIC TOUR*

Today's tour introduces you to Sydney and a few of its vibrant neighborhoods, as we travel over the famed Sydney Harbour Bridge to Milsons Point for spectacular views of the Sydney Opera House. We then drive through the Royal Botanic Gardens to Mrs. Macquarie's Chair, to the world-famous Bondi Beach, through Hyde Park and Darling Harbour. After lunch in The Rocks District, we enjoy a walking tour of this trendy and quaint area.

OVERNIGHT: *FOUR SEASONS HOTEL SYDNEY*

OCTOBER 28: SYDNEY

GOLF: *NEW SOUTH WALES GOLF CLUB*

On the shores of dazzling Botany Bay stands the resplendent New South Wales Golf Club, designed by Alister MacKenzie and ranked #5 in Australia and #33 in the world by *Golf Digest*. You'll be hard-pressed to focus on your game with the stellar sea views from almost every hole. Featuring tight lies and the "ground game" potential of a links course coupled with elevation changes throughout, New South Wales presents a variety of options from tee to green on every hole; a stunning and delightful challenge. As with most great courses, New South Wales takes what the terrain offers, enhances it and makes you feel as if the course has always existed.

TOUR: *FEATHERDALE WILDLIFE PARK*

Touring guests get up close and personal with the animals at Featherdale Wildlife Park, one of Australia's largest private collections of Australian native animals and bird life. Our group is escorted through the park by a zoologist, providing insight and interaction with species unique to Australia.

OCTOBER 30: SYDNEY • HAYMAN ISLAND, AUSTRALIA

Today, we fly by private charter to Hamilton Island, among the 2,000 islands and almost 3,000 reefs that make up the Great Barrier Reef. Our private ferry takes us through the scenic Whitsunday Islands to the private island resort on Hayman Island, where we will spend the next few days discovering the natural beauty of the Great Barrier Reef.

OVERNIGHT: INTERCONTINENTAL HAYMAN ISLAND RESORT

.....
OCTOBER 31: HAYMAN ISLAND

GOLF: HAMILTON ISLAND GOLF CLUB

We take a short boat ride from our resort to Dent Island, a rugged and windswept landscape that seems unlikely terrain to host a golf course. Once on the course however, we are greeted by stunning views of the surrounding Whitsunday Islands, and are left to wonder at the feat it took to develop this exclusive and remote gem. The front nine routes through natural valleys and the back nine runs mostly along the island's central ridge where many elevated tees offer spectacular panoramas and a variety of great challenges.

TOUR: ISLAND ACTIVITIES

Touring guests choose how they would like to spend the day exploring our resort island. From relaxing on the beach or a treatment at the Hayman Spa, sea kayaking, guided bird walks or hiking to get a bird's eye view, you have the freedom to discover the resort on your own schedule. Our staff will assist in making the arrangements best suited for how you would like to spend your day.

OVERNIGHT: INTERCONTINENTAL HAYMAN ISLAND RESORT

.....

NOVEMBER 1: HAYMAN ISLAND

All guests have the opportunity to explore the breathtaking Great Barrier Reef. Either by reef walk or a guided snorkeling tour, we discover the underwater dwelling of turtles, coral reefs, tropical fish and sea cucumbers. Or, if you prefer a day of fishing in the Whitsundays, a private fishing vessel with guide is at your disposal for a day of adventure.

OVERNIGHT: INTERCONTINENTAL HAYMAN ISLAND RESORT

.....

NOVEMBER 2: HAYMAN ISLAND • ADELAIDE, AUSTRALIA

We sail through the beautiful Whitsunday Islands one final time as we traverse back to Hamilton Island for our private flight to Adelaide. Upon arrival in Adelaide, we take a short overview tour of South Australia's coastal capital which is known for its cuisine, culture and beautiful wineries. Later this afternoon, we check in to the Mayfair Hotel.

OVERNIGHT: MAYFAIR HOTEL, ADELAIDE

.....

NOVEMBER 3: ADELAIDE

GOLF: GLENELG GOLF CLUB

Set on sandy soil with tight lies and boasting revetted Scottish-looking bunkers, Glenelg Golf Club plays like a links course at times. As well, the routing offers multiple changes in wind direction throughout. Glenelg's distinction is in how these links-like holes are mixed with holes framed by pines, marsh grasses and water hazards. It is a true delight to play and is sure to be a memorable experience.

TOUR: ADELAIDE CITY TOUR

Our tour of Adelaide includes its Victorian roots and contemporary culture. Victoria Square lies at the geographical heart of the city, and the architecture is a reminder of the city's colonial history, with many of its institutions located here. The entire city is a testament to planning, laid out on a grid with lively garden squares ideally placed throughout. After taking in the city's history, we tour and enjoy lunch in the Central Market, a mecca for multicultural cuisine and fresh produce, and one of the largest markets in the Southern Hemisphere.

OVERNIGHT: MAYFAIR HOTEL, ADELAIDE

.....
NOVEMBER 4: ADELAIDE

GOLF: ROYAL ADELAIDE GOLF CLUB

Ranked #9 in Australia and #80 in the world by *Golf Digest*, Royal Adelaide was influenced by Alister MacKenzie's vision. He remarked in 1926 that the site offered "real links land, a delightful combination of sand dunes and fir trees, a most unusual combination, even at the best seaside courses." While the final routing doesn't bear out MacKenzie's full concept, his impact is most felt in the holes that sit west of a rail line that cuts through the course. These holes are particularly notable and take full advantage of the dunes land with routing hewn from these natural formations.

TOUR: BAROSSA VALLEY

Touring guests are in for a treat as we taste our way through the rolling hills of the Barossa Valley, South Australia's most famous wine region. Settled in 1842 by German immigrants, the Barossa and Eden Valleys now boast more than 150 wineries.

OVERNIGHT: MAYFAIR HOTEL, ADELAIDE

.....
NOVEMBER 5: ADELAIDE • MELBOURNE, AUSTRALIA

Our private charter takes us from Adelaide to Melbourne today. Known for its cultural diversity, magnificent architecture, variety of dining options and trendy street art, Melbourne is a dynamic city full of unique character. We enjoy a panoramic city tour on arrival that concludes at the Park Hyatt Melbourne, where we stay for the remainder of our journey.

OVERNIGHT: PARK HYATT MELBOURNE

.....
NOVEMBER 6: MELBOURNE • KING ISLAND • MELBOURNE

GOLF: CAPE WICKHAM LINKS

Today, we take a short flight to King Island in Tasmania to play Cape Wickham Links, a remote and pristine course that has quickly climbed the world rankings, making its debut as the #21 ranked course in the world according to *Golf Digest* (#3 in Australia). Situated on the northwest coast of this tiny island – population approximately 1,600 – Cape Wickham is pure golfer versus nature, and given its isolated setting, it would not be unusual to spot wallabies roaming the course, and marine life sunning on the rocky shoreline. Cape Wickham's windswept, seaside exposure will require imagination on every shot, and is sure to be a standout experience.

TOUR: SHEEP FARM

There is perhaps no better way to get acquainted with the soul of a country than to spend time on a farm. Today, we visit a private, award-winning sheep farm on the outskirts of Melbourne. In addition to an entertaining introductory discussion over morning tea and a traditional Aussie barbecue for lunch, we join Australian shepherds as they round up their quarry for shearing, and may even see wild kangaroos race through the fields. Our sheep farm visits are always a Kalos guest favorite because of the special interaction with locals, and the day is sure to be full of wonderful stories and laughter.

OVERNIGHT: PARK HYATT MELBOURNE

.....

NOVEMBER 7: MELBOURNE

GOLF: ROYAL MELBOURNE GOLF CLUB

Today, we play Royal Melbourne Golf Club's West Course, 2019 host of the President's Cup, #5 ranked course in the world and top-ranked course in Australia according to *Golf Digest*. Since 1901, this Alister MacKenzie design has set the standard of Australian Sandbelt golf. Wide, receptive fairways welcome a variety of play off the tee, and the proper beauty and challenge of this heathland course is personified by its superb and distinct bunkering, many cut into the edge of quick, undulating greens.

TOUR: YARRA VALLEY & HEALESVILLE SANCTUARY

Famous for cabernet sauvignon, shiraz and pinot noirs, the Yarra Valley is populated by about 300 vineyards. We enjoy a vineyard tour, wine tasting and lunch today before touring Healesville Sanctuary in the afternoon. Set in a native Australian environment, the sanctuary is home to wallabies, wombats, koalas, kangaroos and is one of the few places in the world to have successfully bred platypus in captivity.

OVERNIGHT: PARK HYATT MELBOURNE

.....

NOVEMBER 8: MELBOURNE

GOLF: KINGSTON HEATH GOLF CLUB

Our main tour concludes with play at Kingston Heath Golf Club, ranked #12 in the world according to *Golf Digest*, and like Royal Melbourne, a must-play in the Sandbelt. The closing five holes at Kingston Heath might be the finest finishing set of holes in Australia, demanding an ideal mix of strategy and shot making to finish strong. With similar MacKenzie bunkering style and Sandbelt character familiar to Melbourne, we should be well-tuned for a wonderful round.

TOUR: MELBOURNE ART

Traveling the streets and hidden laneways of Melbourne, we discover the bright and trendy street art for which the "garden city" is known. We also learn about the technical aspects involved in spray painting, stenciling and the role that street artists play in Melbourne's culture.

OVERNIGHT: PARK HYATT MELBOURNE

.....

NOVEMBER 9: MELBOURNE • HOME

GOLF'S FINEST TRAVEL EXPERIENCE

The truth about great international golf courses is that they are typically in close proximity to fascinating cultural and historic venues, immersed in unique landscapes ripe for discovery, making our trips ideal for couples in which one spouse is a passionate golfer, and one may rather tour. We dedicate as much purpose to planning and executing our touring programs as we do our golf line-up; no other golf tour operator can make this promise.

We know our clients demand stimulating experiences beyond golf and strive to present our guests with a rich blend of choices between golf and touring each day. Even the heartiest golfers among our guests often remark, "it was tough to decide today between the tour and the links."

Each day, touring passengers will have the option to experience fascinating cultural and historic or culinary and wine tours. On some days, golfers and tour guests will spend the day touring together and on others, they will get together for a private wine tasting or tour after golf.

We challenge you to find a touring program with any other luxury golf tour operator that is as robust, inclusive and exclusive as you will find on a Kalos Golf tour.
