

IBERIAN PENINSULA GOLF TOUR
By Chartered Air
SEPTEMBER 1-12, 2021

LISBON • COSTA DEL SOL • BARCELONA

FOR CENTURIES, PORTUGAL AND SPAIN have been known for flamenco dancing, bullfighting, impressive architecture, and Moorish castles. Today, the Iberian Peninsula has established itself as Europe's new golf capital. Our journey begins in Portugal's dazzling capital city of Lisbon, where wonderful golf and tours of Lisbon's architectural and historic marvels await.

On this unique itinerary, we travel between our destinations by privately chartered aircraft, while our luggage and golf clubs are transferred over ground by our staff. We stay at three wonderful properties along the way, where we will be able to immerse ourselves in each locale.

Around these captivating cities along the Atlantic and Mediterranean coasts, an impressive golf course line-up includes some of the best courses in Europe such as Sotogrande, Valderrama, Finca Cortesin and PGA Catalunya. Our sightseeing itinerary features visits to cultural capitals and historic sites, with illuminating tours along the way in Lisbon, the Costa del Sol and Barcelona.

Traveling with Kalos Golf means never having to worry about your golf bag. Our staff awaits at every course with your bag placed on a cart and the practice facility cleared for your arrival. And don't worry about the pairings—we take requests or pair you with new friends who share your skill level and enthusiasm for the game.

Whether playing golf or exploring medieval towns with our experienced guides, shopping on your own or learning Spanish culinary secrets, you will experience unsurpassed personal attention, returning from your journey with new and enriched friendships and memories of a captivating experience.

GOLF: *OITAVOS DUNES*

Golfers play this Arthur Hills design, which regularly ranks among Portugal's top courses and annually hosts the Portuguese Open. The course is intended to maximize exposure to three distinct landscapes: an umbrella pine tree forest, dunesland, and open coastal transition areas. Views of the Atlantic Ocean and nearby Sintra are visible from almost every hole, an ideal opening round to our journey.

TOUR: *SINTRA & CASCAIS*

Sintra was a favorite summer retreat for the kings of Portugal. We will visit famous landmarks and local artisan shops in Sintra before continuing to Cascais. This sheltered town sits by the Atlantic Ocean and became a fashionable resort in the 1870s when Luís I converted the citadel into a summer palace that is still being used by the president of Portugal today. Enjoy some free time for an outdoor lunch, shopping and exploration.

GOLF: WEST CLIFFS

Cynthia Dye, niece of Pete Dye, brought a little bit of Whistling Straits to the Silver Coast of Portugal when West Cliffs opened in 2017. Making use of the natural dunes and surrounding pine forest, the layout of West Cliffs fits effortlessly into the terrain, with a sense the course has existed here for decades. The elevation changes on the front nine feel more pronounced than the back. No matter which part of the course you are playing, spectacular views of the Atlantic Ocean can be enjoyed from every hole.

TOUR: LISBON

Take a panoramic journey through Lisbon, enjoying views of the Alfama and Castelo quarters overlooking the Tagus River, then tour downtown Lisbon, the magnificent Comércio Square, and the charms of the São Bento and Chiado districts. Continue to Rossio Square, considered the heart of Lisbon's downtown. View the statue of Pombal, the man who rebuilt the city after the earthquake of 1755, and Avenida da Liberdade—Lisbon's answer to Piccadilly.

SEPTEMBER 5: LISBON • MÁLAGA • CASARES, SPAIN

Today, we depart Lisbon and take a short flight via chartered air to Málaga, Spain. Our luggage and golf clubs travel by land with our staff, making our flight experience seamless, and giving us the freedom to enjoy some touring on arrival in Spain. We visit the Picasso Museum in Málaga before checking in to Finca Cortesin, where we will spend four nights at this stunning property in the Andalusian countryside.

GOLF: REAL CLUB VALDERRAMA

Regarded as the “Augusta National of Europe,” Valderrama has consistently been ranked one of the top five courses in Europe and among the world's top 100. An abundance of cork, oak, and olive trees give each of Valderrama's holes a distinct shape and look. The playing conditions are impeccable and the setting is bucolic. A Ryder Cup venue and regular host of the Andalucía Masters, Valderrama regularly receives the highest praise from the world's finest golfers.

TOUR: RONDA

Touring guests travel to Ronda, which sits on a massive rocky outcrop straddling a steep limestone crevice. Ronda was one of the final Moorish bastions because of this wonderful strategic position. Our guide leads us on a narrated stroll through the compact old city center which includes a visit to the spectacular bullring. We enjoy cheese and tapas on the outdoor terrace at a local winery and enjoy spectacular views from our vantage point overlooking the valley of olive groves that stretch out below us.

SEPTEMBER 7: CASARES

GOLF: REAL CLUB DE GOLF SOTOGRANDE

Opened in 1964, Sotogrande was Robert Trent Jones' first European course, and the first course along the Costa del Sol. It is a credit to Jones' vision that the course more than holds up not only in terms of challenge, but also in classic beauty. Each hole requires good strategy and execution, with well-placed bunkers and water hazards dictating the safest approach. Fairways are generous, the rough is manageable, the greens are wonderfully contoured and manicured; most are elevated, so an extra club is in order on approach on most occasions. Sotogrande is a wonderful venue that represents the genesis of golf along the Costa del Sol and it is our pleasure to be invited to play this private club.

TOUR: SPANISH COOKING SCHOOL

Today, we learn the methods of preparing an authentic Spanish meal. After our meal is prepared, we enjoy the fruits of our labor paired with just the right Spanish wine on the terrace of a private home.

OVERNIGHT: FINCA CORTESIN

SEPTEMBER 8: CASARES

GOLF: FINCA CORTESIN GOLF CLUB

A four-time host course for the Volvo Match Play Championship, this open country course is consistently ranked near the top of Spanish golf courses. The dramatic elevation changes will keep you on your toes as you weave through scenic valleys with fantastic views of the surrounding hills and countryside. Dotted with water hazards, waste areas and well-placed bunkers throughout, Finca Cortesin presents an enjoyable challenge in a beautiful landscape, an ideal closing round to our time in Andalucía.

TOUR: MARBELLA & PUERTO BANUS

We begin the day by visiting Marbella, a quintessential city of Costa del Sol. Our guide takes us through the labyrinth of narrow cobbled streets lined by whitewashed homes, boutique shops and cafés, providing a sense of Spanish culture and history. After lunch, we travel the coast to Puerto Banus, a resort town framed by a picturesque mountain backdrop and the Mediterranean, where we have free time to explore.

OVERNIGHT: FINCA CORTESIN

SEPTEMBER 9: CASARES • BARCELONA, SPAIN

Today, we fly by private charter from Málaga to Barcelona. On arrival, we enjoy a panoramic overview of the city before we check in to El Palace Hotel where we stay for the remainder of our journey.

SEPTEMBER 10: BARCELONA

GOLF: REAL CLUB DE GOLF EL PRAT

Though the club was established in 1954, the current site of Royal El Prat dates to the late 1990's when Greg Norman designed and built this 45-hole complex. With large greens, wide and sometimes plunging fairways, the courses were built to accommodate international competitions. Consistently ranked among Spain's top courses, and Europe's top 100, El Prat will delight and challenge.

TOUR: SAGRADA FAMÍLIA & PARK GÜELL

Sagrada Família inspires awe by its sheer height and the style of medieval cathedrals it emulates. Unfinished it may be, Gaudí's masterpiece is worth a walk around the complex. Some free time will be provided for you to explore the area before we head to Park Güell, also designed by Antonio Gaudí and one of the most impressive public parks in the world.

OVERNIGHT: EL PALACE HOTEL

SEPTEMBER 11: BARCELONA

GOLF: PGA CATALUNYA

Recognized as one of Spain's top five courses, PGA Catalunya's undulating land, dense with mature trees, is set dramatically against the Pyrénées Mountains. The surroundings are quite different from the courses we play in southern Spain. PGA Catalunya is always a favorite among Kalos golfers and is a fitting close to our journey.

TOUR: MONTSERRAT

Montserrat is a rugged mountain on the outskirts of Barcelona, where we will visit one of the most popular pilgrimage destinations in Spain, Santa Maria de Montserrat Abbey. We will see the statue dedicated to Catalonia's favored saint, the Black Madonna, and tour outside the ornate Benedictine abbey.

OVERNIGHT: EL PALACE HOTEL

GOLF'S FINEST TRAVEL EXPERIENCE

The truth about great international golf courses is that they are typically in close proximity to fascinating cultural and historic venues, immersed in unique landscapes ripe for discovery, making our trips ideal for couples in which one spouse is a passionate golfer, and one may rather tour. We dedicate as much purpose to planning and executing our touring programs as we do our golf line-up; no other golf tour operator can make this promise.

We know our clients demand stimulating experiences beyond golf and strive to present our guests with a rich blend of choices between golf and touring each day. Even the heartiest golfers among our guests often remark, "it was tough to decide today between the tour and the links."

Each day, touring passengers will have the option to experience fascinating cultural and historic or culinary and wine tours. On some days, golfers and tour guests will spend the day touring together and on others, they will get together for a private wine tasting or tour after golf.

We challenge you to find a touring program with any other luxury golf tour operator that is as robust, inclusive and exclusive as you will find on a Kalos Golf tour.
