Golfers will play some of the region's most notable courses, including the Monte Carlo Golf Club, while touring passengers enjoy stylish St-Paul-de-Vence and splendid Monaco.

As we journey through the Riviera, don't be surprised by the attention we get as our sailing yacht makes port in the impressive fortress-like harbor of Bonifacio. Memorable golf awaits on Corsica at Golf de Sperone.

After your plane clears the last of the snow-capped Alps, look for the sun to reflect off the crystal blue waters of the Côte d'Azur. Welcome to the Riviera! You are greeted at the airport and transported to the five-star Hotel Majestic in Cannes. The afternoon is at your leisure until our welcome reception this evening.

SEPTEMBER 17: CANNES

GOLF: GOLF DE CANNES MOUGINS

Designed by Harry Colt in 1923, Cannes Mougins is a fixture in the top ten courses in France. Seve Ballesteros, once hailed it as "one of the best courses in Europe;" his personal favorite is the ninth hole, a par four with a severe dogleg. This parkland layout features large, gently rolling fairways, dotted with water and surrounded by mature forest and foothills. The setting and conditioning are superb, and Cannes Mougins is an ideal introduction to our Riviera golf experience.

TOUR: ABBAYE DE LÉRINS

Touring guests take a short ferry ride to St-Honorat Island, named after the Gallo-Roman Honoratus who visited the island at the end of the 4th century and founded a monastery. The monks that currently reside here have been cultivating vines since the Middle Ages and every stage, from planting to harvest, is done by hand. We tour the beautiful monastery to get a sense of its place in history.

SEPTEMBER 18: CANNES • EMBARK *SEA CLOUD II*

GOLF: TERRE BLANCHE—LE RIOU

Terre Blanche sets the scene perfectly for our golf adventure, boasting breathtaking views of rolling hills dotted with distant pastel rooftops of nearby quaint villages. A parkland members course, the plunging fairways of Le Riou at Terre Blanche lead to perfectly bunkered greens; it's an overall idyllic setting for a round of golf.

TOUR: NICE AND GRASSE

Touring passengers visit Grasse, world capital of the perfume industry, then Nice. Later this afternoon, we board *Sea Cloud II* in Nice.

SEPTEMBER 19: ST-TROPEZ, FRANCE

We sail along the coast and have time to experience St-Tropez, “The Pearl of the Riviera,” best known as a destination for the glamorous and illustrious. We’ll explore this idyllic town with its narrow, pastel streets and relaxed culture rooted in its heritage as a fishing village and artist’s refuge. Its allure is undeniable, having captured the likes of Matisse and Bardot.

SEPTEMBER 20: MONACO

GOLF: MONTE CARLO GOLF CLUB

Built in 1911, the Monte Carlo Golf Club is considered to be the Côte d’Azur’s most prestigious club. Located 900 meters above sea level on Mont Agel, this course features narrow fairways and a spectacular panorama.

TOUR: MONTE CARLO AND MONACO

Touring passengers explore the exciting city of Monte Carlo. We drive by the Prince’s palace set high on the Rock of Monaco as well as the neo-Romanesque cathedral where Princess Grace and Prince Rainier were married. After lunch, there is free time to explore and visit the casino.

.....
SEPTEMBER 21: ST-RAPHAËL, FRANCE

GOLF: GOLF DE TERRE BLANCHE—LE CHÂTEAU

The course winds its way through pine and oak forests and up to elevated tees where views of French villages and the rocky peaks of the Alpes-Maritimes await. The course presents both technical challenges and charm with holes like number six where the green sits in the shadow of the course’s namesake castle.

TOUR: ANTIBES AND ST-PAUL-DE-VENCE

Founded in the 5th century as a Greek colony, coastal Antibes is one of the oldest cities on the Côte d’Azur. After strolling through the Old Town, we visit St-Paul-de-Vence, perhaps the most famous of France’s artist villages. St-Paul-de-Vence has a style and charm that is evident in its tile-roofed buildings and tiny, winding streets.

SEPTEMBER 23: BONIFACIO, CORSICA

GOLF: GOLF DE SPERONE

Described by many as Robert Trent Jones Sr.'s "Jewel in the Mediterranean," Golf de Sperone is well established as one of Europe's best courses. The 16th hole may be the most memorable. Similar to the 18th at Pebble Beach, this hole is framed by 100-foot sea cliffs on one side.

TOUR: BONIFACIO

Those on tour visit the medieval city of Bonifacio. The town rises dramatically in tiers from the old port up to the Genovese citadel. The fortifications dominate the promontory and the dramatic limestone peninsula that rises on sheer cliffs from the sea.

GOLF'S FINEST TRAVEL EXPERIENCE

The truth about great international golf courses is that they are typically in close proximity to fascinating cultural and historic venues, immersed in unique landscapes ripe for discovery, making our trips ideal for couples in which one spouse is a passionate golfer, and one may rather tour. We dedicate as much purpose to planning and executing our touring programs as we do our golf line-up; no other golf tour operator can make this promise.

We know our clients demand stimulating experiences beyond golf and strive to present our guests with a rich blend of choices between golf and touring each day. Even the heartiest golfers among our guests often remark, "it was tough to decide today between the tour and the links."

Each day, touring passengers will have the option to experience fascinating cultural and historic or culinary and wine tours. On some days, golfers and tour guests will spend the day touring together and on others, they will get together for a private wine tasting or tour after golf.

We challenge you to find a touring program with any other luxury golf tour operator that is as robust, inclusive and exclusive as you will find on a Kalos Golf tour.
