## RIVIERA 2023

SUN-SOAKED BEACHES, SPARKLING marinas and glamorous people are just some of the charms of the French Riviera that unfold before us as we visit Nice, Cannes, Monte Carlo and St-Tropez. Golfers will play some of the region's most notable courses, including the Monte Carlo Golf Club, while touring passengers enjoy quaint St-Paul-de-Vence and splendid Monaco.

As we journey through the Riviera, don't be surprised by the attention we get as our sailing yacht makes port in the impressive fortress-like harbor of Bonifacio and, just eight miles to the south, the beautiful natural environment of Costa Smeralda. Memorable golf awaits on Sardinia at Pevero Golf Club.

Privately chartered for this journey, Sea Cloud Spirit is our exclusive club at sea, offering five-star European service and accommodations, and the intimate feel of sailing aboard our own private yacht. Sea Cloud Spirit provides a relaxing and gracious home away from home. Once on board, we journey effortlessly, leaving the uncertainties of land travel behind.

Whether playing golf or exploring quaint villages with our experienced guides, sampling fine wines, shopping or exploring on your own in St-Tropez, you will experience unsurpassed personal attention, returning from your journey with new and enriched friendships and memories of a captivating experience.

**SEPTEMBER 11/12: HOME • NICE • CANNES, FRANCE**

Depart your home city on September 11 for an overnight flight to Nice, France. After your plane clears the last of the snow-capped Alps, look for the sun to reflect off the crystal blue waters of the Côte d'Azur. Welcome to the Riviera! You are greeted at the airport and transported to the five-star Hotel Majestic in Cannes. The afternoon is at your leisure until our welcome reception this evening.

.....  
**SEPTEMBER 13: CANNES**

*GOLF: GOLF DE CANNES MOUGINS*

Designed by Harry Colt in 1923, Cannes Mougins is a fixture in the top ten courses in France. Seve Ballesteros once hailed it as “one of the best courses in Europe;” his personal favorite is the ninth hole, a par four with a severe dogleg. The setting and conditioning are superb. This parkland layout features large, gently rolling fairways, dotted with water and surrounded by mature forest and foothills.

*TOUR: ABBAYE DE LÉRINS*  
Touring guests take a short ferry ride to St-Honorat Island, named after the Gallo-Roman Honoratus who visited the island at the end of the 4<sup>th</sup> century and founded a monastery. The monks that currently reside here have been cultivating vines since the Middle Ages and every stage, from planting to harvest, is done by hand. We tour the beautiful monastery to get a sense of its place in history.

.....  
**SEPTEMBER 14: CANNES**

*GOLF: GOLF DE TERRE BLANCHE – LE CHÂTEAU*

The course winds its way through pine and oak forests and up to elevated tees where views of French villages and the rocky peaks of the Alpes-Maritimes await. The course presents both technical challenges and charm with holes like number six where the green sits in the shadow of the course's namesake castle.

*TOUR: MONTE CARLO & MONACO*

Touring passengers explore the exciting city of Monte Carlo. We drive by the Prince's palace set high on the Rock of Monaco as well as the neo-Romanesque cathedral where Princess Grace and Prince Rainier were married. After lunch, there is free time to explore and visit the casino.

.....  
SEPTEMBER 15: CANNES • EMBARK *SEA CLOUD SPIRIT*

*GOLF: MONTE CARLO GOLF CLUB*

Built in 1911, the Monte Carlo Golf Club is considered to be the Côte d'Azur's most prestigious club. Located 900 meters above sea level on Mont Agel, this course features narrow fairways and a spectacular panorama.

*TOUR: GRASSE & NICE*

Our tour begins with a visit to Grasse, a medieval village renowned as the perfume capital of the world. We tour the Molinard Parfumerie where we learn about the creation of perfume and the history of the industry. We continue to Nice, the capital city of the French Riviera, traveling along the Promenade des Anglais with terrific views of the city and the Bay of Angels. In Nice, we enjoy lunch at Le Grand Balcon, and afterward, we visit the local market, with free time to explore the narrow streets of the Old Town. Later this afternoon, we board *Sea Cloud Spirit*.

.....  
SEPTEMBER 16: ST-TROPEZ, FRANCE

We sail along the coast and have time to experience St-Tropez, "The Pearl of the Riviera," best known as a destination for the glamorous and illustrious. We'll explore this idyllic town with its narrow, pastel streets and relaxed culture rooted in its heritage as a fishing village and artist's refuge. Its allure is undeniable, having captured the likes of Matisse and Bardot.

### SEPTEMBER 17: SAINT-RAPHAËL

#### GOLF: TERRE BLANCHE—LE RIOU

Terre Blanche sets the scene perfectly for our golf adventure, boasting breathtaking views of rolling hills dotted with distant pastel rooftops of nearby quaint villages. A parkland members course, the plunging fairways of Le Riou at Terre Blanche lead to perfectly bunkered greens; it's an overall idyllic setting for a round of golf.

#### TOUR: ANTIBES & ST-PAUL-DE-VENCE

Founded in the 5<sup>th</sup> century as a Greek colony, coastal Antibes is one of the oldest cities on the Côte d'Azur. After strolling through the Old Town, we visit St-Paul-de-Vence, perhaps the most famous of France's artist villages. St-Paul-de-Vence has a style and charm that is evident in its tile-roofed buildings and tiny, winding streets.

### SEPTEMBER 18: PORTOVENERE, ITALY

Sure to be a highlight of our Riviera Golf Cruise, Cinque Terre is a favorite among Kalos guests. This UNESCO World Heritage Site is made up of five charming villages that sit suspended on the coastal cliffs of the Italian Riviera. The towns—Monterosso, Vernazza, Corniglia, Manarola and Riomaggiore—are best accessed by boat. Aboard our private craft we will make stops in two of the villages where you can disembark to explore on your own, enjoying shopping, cafés, and soaking up the Italian coast.

.....  
**SEPTEMBER 19: DAY AT SEA**

No matter what region of the world we are in or how many times you have been on board a Sea Cloud vessel, our day at sea is one that Kalos guests look forward to with delight. Sit back and watch skilled deckhands scale the rigging and set the sails for our voyage. *Sea Cloud Spirit's* Captain plans the course to take full advantage of the prevailing winds, allowing you to enjoy the ideal pace of travel. The sun-soaked Lido and Sun Decks provide a perfect setting for the day.

.....

**SEPTEMBER 20: BONIFACIO, CORSICA**

*GOLF: GOLF DE SPERONE*

Described by many as Robert Trent Jones, Sr.'s "Jewel in the Mediterranean," Golf de Sperone is well established as one of Europe's most scenic courses. The 16<sup>th</sup> hole may be the most memorable. Similar to the 18<sup>th</sup> at Pebble Beach, this hole is framed by 100-foot sea cliffs on one side.

*TOUR: BONIFACIO*

Those on tour visit the medieval city of Bonifacio. The town rises dramatically in tiers from the old port up to the Genovese citadel. The fortifications dominate the promontory and the dramatic limestone peninsula that rises on sheer cliffs from the sea. Golfers have the opportunity to explore Bonifacio after their round.

.....  
**SEPTEMBER 21: OLBIA, SARDINIA**

*GOLF: PEVERO GOLF CLUB*

Designed by Robert Trent Jones Sr., Pevero Golf Club's greens and fairways wind through the Sardinian hills among natural lakes and rock formations. The doglegs and water hazards will test any golfer's accuracy.

*TOUR: CALA DI VOLPE COOKING DEMONSTRATION*

Touring guests are in for a culinary treat today, as we go to the famed Hotel Cala di Volpe for a Sardinian cooking demonstration with the hotel's renowned chefs. We will learn the ideal combination of today's catch and regional specialties to craft a Mediterranean-style meal, then savor a gourmet lunch.

## GOLF'S FINEST TRAVEL EXPERIENCE

*The truth about great international golf courses is that they are typically in close proximity to fascinating cultural and historic venues, immersed in unique landscapes ripe for discovery, making our trips ideal for couples in which one spouse is a passionate golfer, and one may rather tour. We dedicate as much purpose to planning and executing our touring programs as we do our golf line-up; no other golf tour operator can make this promise.*

*We know our clients demand stimulating experiences beyond golf and strive to present our guests with a rich blend of choices between golf and touring each day. Even the heartiest golfers among our guests often remark, "it was tough to decide today between the tour and the links."*

*Each day, touring passengers will have the option to experience fascinating cultural and historic or culinary and wine tours. On some days, golfers and tour guests will spend the day touring together and on others, they will get together for a private wine tasting or tour after golf.*

*We challenge you to find a touring program with any other luxury golf tour operator that is as robust, inclusive and exclusive as you will find on a Kalos Golf tour.*
