AUGUST 30–SEPTEMBER 10, 2023

LISBON • HUELVA • SEVILLE • GIBRALTAR • MÁLAGA • VALENCIA • BARCELONA

FOR CENTURIES, PORTUGAL AND SPAIN have been known for flamenco dancing, bullfighting, impressive architecture, and Moorish castles. Today, the Iberian Peninsula has established itself as Europe's new golf capital. Our journey begins in Portugal's dazzling capital city of Lisbon, where wonderful golf and tours of Lisbon's architectural and historic marvels await.

Sea Cloud Spirit, privately chartered for this journey, is our exclusive club at sea, offering five-star European service and accommodations, and the intimate feel of sailing aboard our own private yacht.

While ashore, we play an outstanding line up of courses and explore captivating cities along the Atlantic and Mediterranean coasts. An impressive roster includes some of the best courses in Europe such as Monte Rei, Sotogrande, Valderrama, El Saler, and PGA Catalunya. Our sightseeing itinerary features visits to cultural capitals and historic sites, with illuminating tours along the way in Seville, Gibraltar, Valencia, and Barcelona.

Traveling with Kalos Golf means never having to worry about your golf bag. Our staff awaits at every course with your bag placed on a cart and the practice facility cleared for your arrival. And don't worry about the pairings—we take requests or pair you with new friends who share your skill level and enthusiasm for the game.

Whether playing golf or exploring medieval towns with our experienced guides, shopping on your own or learning Spanish culinary secrets, you will experience unsurpassed personal attention, returning from your journey with new and enriched friendships and memories of a captivating experience.

AUGUST 30/31: HOME • LISBON, PORTUGAL

Depart your home city on August 30 for an overnight flight to one of Europe's most beautiful cities, Lisbon, where you are greeted and transferred to the luxurious Four Seasons Hotel Ritz Lisbon. Spend the afternoon at your leisure before our welcome reception this evening. If you would like to arrive early in Lisbon, we can arrange for early nights at the Four Seasons Hotel Ritz including a tour to Sintra and Cascais for early arrivals.

**SEPTEMBER 1: LISBON • EMBARK
SEA CLOUD SPIRIT**

GOLF: OITAVOS DUNES

Golfers play this Arthur Hills design, which regularly ranks among Portugal's top courses and annually hosts the Portuguese Open. The course is intended to maximize exposure to three distinct landscapes: an umbrella pine tree forest, dunesland, and open coastal transition areas. Views of the Atlantic Ocean and nearby Sintra are visible from almost every hole, an ideal opening round to our journey.

TOUR: LISBON

Take a panoramic journey through Lisbon, sampling port wine and being serenaded by a Portuguese guitar player. Enjoy views of the Alfama and Castelo quarters overlooking the Tagus River, then tour downtown Lisbon, the magnificent Comércio Square, and the charms of the São Bento and Chiado districts. Continue to Rossio Square, considered the heart of Lisbon's downtown. View the statue of Pombal, the man who rebuilt the city after the earthquake of 1755, and Avenida da Liberdade—Lisbon's answer to Piccadilly. Later this afternoon, we board *Sea Cloud Spirit*.

.....
SEPTEMBER 2: DAY AT SEA

Settle in aboard *Sea Cloud Spirit* and delight in a full day at sea as we cruise the coast of Portugal to Spain. Sit back and watch skilled deckhands as they scale the masts that reach almost 190 feet high and hoist the sails on a vessel that sets a new standard in a family of the finest hand-sailed square-riggers of our age.

.....
SEPTEMBER 3: HUELVA, SPAIN

GOLF: MONTE REI GOLF & COUNTRY CLUB
Considered the top-ranked course in Portugal, this Jack Nicklaus Signature design makes ideal use of the Algarve topography. Set in picturesque foothills with extensive views of the Serra do Caldeirão Range to the north and the Atlantic Ocean to the south, Monte Rei features a wealth of water hazards and strategic bunkering. Each hole offers multiple options off the tee with varying degrees of risk and reward, and with a good amount of elevation change throughout, club selection will be a key to success.

TOUR: SEVILLE
From the port of Huelva, our tour heads to Seville. We visit La Giralda, a Moorish tower with a Christian superstructure; the Alcázar, a Moorish palace rich in medieval legends; and Seville Cathedral, third-largest cathedral in the world and final resting place of Christopher Columbus. We enjoy lunch in the Old Quarter amid the city's winding streets.

SEPTEMBER 4: GIBRALTAR, UNITED KINGDOM

GOLF: REAL CLUB DE GOLF SOTOGRANDE

Opened in 1964, Sotogrande was Robert Trent Jones' first European course, and the first course along the Costa del Sol. It is a credit to Jones' vision that the course more than holds up not only in terms of challenge, but also in classic beauty. Each hole requires good strategy and execution, with well-placed bunkers and water hazards dictating the safest approach. Fairways are generous, the rough is manageable, the greens are wonderfully contoured and manicured; most are elevated, so an extra club is in order on approach on most occasions. Sotogrande is a wonderful venue that represents the genesis of golf along the Costa del Sol and it is our pleasure to be invited to play this private club.

TOUR: GIBRALTAR

Today, we have the opportunity to visit one of the most famous geological silhouettes in the world, Gibraltar. The view from "The Rock" provides a spectacular panorama of North Africa, the Costa del Sol, and the Mediterranean Sea. Touring passengers will also delight in a special visit to St. Michael's Cave and the Nature Reserve to see Gibraltar's most famous inhabitants, the Barbary apes.

.....
SEPTEMBER 5: GIBRALTAR • MÁLAGA, SPAIN

GOLF: REAL CLUB VALDERRAMA

Regarded as the “Augusta National of Europe,” Valderrama has consistently been ranked one of the top five courses in Europe and is also ranked among the world’s top 100 courses. An abundance of cork, oak, and olive trees give each of Valderrama’s holes a distinct shape and look. The playing conditions are impeccable and the setting is bucolic. A Ryder Cup venue and regular host of the Andalucía Masters, Valderrama regularly receives the highest praise from the world’s finest golfers.

TOUR: SPANISH COOKING SCHOOL

Touring guests visit a cooking school to learn techniques for preparing an authentic Spanish meal, enjoying the fruits of our labor for lunch. Afterward, we visit Mijas for a look behind the scenes at Spanish country life. This classical village with a strong Andalusian flavor offers wonderful views of the coast. On a clear day, you can see Gibraltar. Cobblestone streets and charming, whitewashed houses are the timeless sights of this picture-postcard Spanish village. Of special interest are the unique square bullring dating from Moorish times and a charming chapel dedicated to Our Lady of the Rocks, hewn out of the hillside.

SEPTEMBER 6: DAY AT SEA

Nine days on board *Sea Cloud Spirit* allow us to respond to the most common request from Kalos passengers—one more day at sea. Relax as we sail the Mediterranean Sea along the coast of Spain. After a few days of golf and touring, this is an ideal opportunity to enjoy *Spirit's* spa and wellness center.

.....
SEPTEMBER 7: VALENCIA, SPAIN

GOLF: CAMPO DE GOLF EL SALER

For the traditionalist, El Saler is Spain's best course, and is considered Javier Arana's greatest work. Half the holes work their way through lush pine forests and the rest is true open links land, blending in with mountainous dunes close to the sea.

TOUR: VALENCIA

Today's tour begins with a panoramic exploration of this lively city's cultural and historic treasures. We stop to visit the UNESCO World Heritage Site La Lonja de la Seda, a masterpiece of Gothic architecture, and the Valencia Cathedral, which holds an agate cup claimed to be the Holy Grail. We will also see the modern architectural marvels of Valencia's City of Arts and Science.

.....
SEPTEMBER 8: BARCELONA, SPAIN

Barcelona offers a cosmopolitan flavor and some of the best-known architecture in Europe. All guests will enjoy a panoramic overview of the city with visits to some of its most notable sites, including the Park Güell, Passeig de Gràcia, and Gaudí's famed Sagrada Família.

.....
SEPTEMBER 9: BARCELONA

GOLF: PGA CATALUNYA

Recognized as one of Spain's top five courses, PGA Catalunya's undulating land, dense with mature trees, is set dramatically against the Pyrenees Mountains. The surroundings are quite different from the courses we play in southern Spain. PGA Catalunya is always a favorite among Kalos golfers and is a fitting close to our journey.

TOUR: MONTSERRAT

Montserrat is a rugged mountain on the outskirts of Barcelona, where we will visit one of the most popular pilgrimage destinations in Spain, Santa Maria de Montserrat Abbey. We will see the statue dedicated to Catalonia's favored saint, the Black Madonna, and tour the expansive and ornate Benedictine abbey.

.....
SEPTEMBER 10: BARCELONA • HOME

We bid farewell to *Sea Cloud Spirit* and her crew as we disembark and transfer to Barcelona Airport for return flights home.

SEA CLOUD SPIRIT

A NEW STANDARD

Building a fully-rigged three-master in the 21st century may seem a relic in today's world of bigger and faster excesses. Sea Cloud Spirit is indeed a throwback to a time of standards and traditions, and represents Sea Cloud Cruises' commitment to a passion for sailing.

With 69 cabins, all with marble bathrooms, served by 85 crew under sails that soar to 190 feet, Sea Cloud Spirit combines the romance of a windjammer with modern comforts and first-class European service; setting new standards in ocean travel.

As Sea Cloud II built upon her predecessor, so does Sea Cloud Spirit, with a classic outline and elegant styling familiar to sailing enthusiasts the world over. Enhancements include a generous number of cabins with outside balconies, an extensive sun deck, a gym with panoramic views and an exclusive and expansive spa and wellness center. And, in addition to a fine dining menu in the restaurant each evening, an optional bistro menu is available on the Lido Deck.

It is our great privilege to partner with Sea Cloud Cruises to sail aboard Sea Cloud Spirit and we invite you to join us on this magnificent vessel, as we discover the greatest golf and touring the world has to offer.

GOLF'S FINEST TRAVEL EXPERIENCE

The truth about great international golf courses is that they are typically in close proximity to fascinating cultural and historic venues, immersed in unique landscapes ripe for discovery, making our trips ideal for couples in which one spouse is a passionate golfer, and one may rather tour. We dedicate as much purpose to planning and executing our touring programs as we do our golf line-up; no other golf tour operator can make this promise.

We know our clients demand stimulating experiences beyond golf and strive to present our guests with a rich blend of choices between golf and touring each day. Even the heartiest golfers among our guests often remark, "it was tough to decide today between the tour and the links."

Each day, touring passengers will have the option to experience fascinating cultural and historic or culinary and wine tours. On some days, golfers and tour guests will spend the day touring together and on others, they will get together for a private wine tasting or tour after golf.

We challenge you to find a touring program with any other luxury golf tour operator that is as robust, inclusive and exclusive as you will find on a Kalos Golf tour.
